

Social Media Policy

1300 PROPERTY OWNERS' ASSOCIATION

This Social Media Policy has been adopted by the Board of Directors of the 1300 Property Owners' Association, Inc. (the Association) as of the date set forth hereinbelow in order to establish a clear and consistent policy regarding the official use of social media as a communication tool.

The Association will not obtain nor maintain social media accounts to be used as a communication tool between the Association and the Property Owners.

Any social media use by current, former and/or future Board Members or Committee Members are to be considered their personal and private communications and do not represent an official position on any matter relating to The Thirteen Hundred.

All official communications between the Association and the Property Owners shall come from the Property Management Company and/or the Association. The Property Management Company shall be responsible for updating the official website of the Association at the direction of the Association: <https://1300poablairsville.com/>

Date of Adoption: May 19, 2021
