

everwell

Professional Development Opportunities

Everwell is dedicated to supporting and inspiring women so that they can live the best version of themselves.

With carefully curated programming and events, a network of in-house resident consultants and contributing hosts and a uniquely designed indoor/outdoor workspace, Everwell is a community where women gather in person and virtually to work + grow + connect. We are a community that fuels and inspires so that our members can take inventory of themselves, set goals, conquer challenges, and ultimately flourish both personally and professionally.

Workspace

Beautifully designed and free from distraction, Everwell's 3,000 square foot multi-purpose workspace offers flexible membership options for both full- and part-time professionals. Features include:

- Single private offices
- Quiet open-concept workspace with safely distanced and partitioned work spots
- Soundproof phone booths
- Reservable, fully-equipped meeting rooms
- 800 square foot furnished Roof Deck
- Comfortable areas to lounge
- Reliable Wi-Fi outlets + chargers
- Printer, copier, desk supplies
- Complimentary coffee + tea
- Pumping privacy for new moms

Note: Everwell continues to monitor state, federal and local guidelines re. COVID and has implemented stringent protocols to ensure the health and safety of our community.

Programming + Events

Everwell's programming is curated by our expert team of Residents Consultants and Contributing Hosts and includes speakers, workshops and discussion series across (4) categories – we call them PILLARS: Career + Calling, Body + Health, Family + Home, and Thought + Intellect.

All events are thoughtfully developed and aimed at fostering meaningful connection and conversation amongst women regardless of where they may be in their lives.

Examples of Professional Development include:

- Leadership + Professional Development
- Business Relationships (mentors, partners, management)
- Intentional Networking “Idea-working” (Group Think Tanks and Idea Feedback)
- Business Development (Marketing, Branding, Finance, Sales, etc)
- The Career Mindset: Strategic Thinking + Planning
- Entrepreneurship + Freelancing
- Non-Profit Volunteerism
- Job Preparation + Search
- Personal Roadmapping
- Purpose + Inspiration
- Financial Wellness
- Transition Coaching
- Technology + Social Media Skills
- Self-Advocacy + Intentional Networking
- Mindful Practices + Self-Care

Membership Network

Everwell's membership is comprised of remarkable women with a variety of personal and professional backgrounds. As a community committed to mutual respect and acceptance, members are able to connect, collaborate, and support each other in both their work endeavors and professional + personal growth. Membership includes:

- Placement in our exclusive online directory so members can:
 - access fellow members as local, trusted resources
 - identify other members in similar life spaces
 - promote one's work and services
 - share expertise, passions and interests
- Access to Resident Consultants including Career + Calling
- Unlimited diverse + robust programming
