ANDROPOLIS PAINTING LLC Earns Esteemed 2018 Angie's List Super Service Award

Award reflects company's consistently excellent level of client service

Andropolis Painting LLC has earned the service industry-coveted 2018 Angie's List Super Service Award, an honor awarded annually to less than 5 percent of all the companies rated on Angie's List, the nation's leading provider of consumer reviews on local service companies.

Service pros that receive our Angie's List Super Service Award represent the best in our network; they are consistently making outstanding client service their mission," said Angie's List Founder Angie Hicks. "Our standards for the Super Service Award are very high. The fact that Andropolis Painting earned this recognition in 2011, 2012, 2013 2014, 2015, 2016, 2017 and 2018 speaks volumes about its dedication to providing consistently outstanding service to its clients year after year. These pros have provided exceptional service to our members and absolutely deserve recognition for the exemplary client service they exhibited in the past year

"I founded Andropolis Painting in 1992 with the goal of providing interior painting excellence to my clients," said Tobias Andropolis. "For the past 27 years I've been fortunate enough to have done just that. I take tremendous pride in my work and strive to pay attention to the client's needs and to the project's details from the initial call to the final brush stroke."

Angie's List Super Service Award 2018 winners have met strict eligibility requirements. These include earning a minimum number of reports, receiving excellent ratings from their clients in addition to undergoing additional screening and abiding by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale on five metrics ranging from professionalism to punctuality. Members can find the Super Service Award logo next to company names in search results on AngiesList.com.
