

VOLUNTEER NOTES

Wish Child's Name: _____
First Middle Last

Each volunteer should complete a notes page during or after leaving the initial wish visit to ensure we can fully understand the wish child and his/her interests. Please submit the notes with the hard-copy wish forms or electronically after the initial wish visit. Notes may include, but are not limited to the following:

- Details pertaining to any ideas expressed by the wish child during the visit
- Specific details of the envisioned wish experience not captured on Wish Child Form
- Stories and pictures that help to understand why this wish is the child's heartfelt wish
- Quotes from wish child and wish family
- Specific needs and/or requests during wish experience
- Questions and comments from family members
- Any additional information about the wish child and/or wish family that you want to share with staff
