## INTERIM PASTOR'S MESSAGE

March 24, 2020

Greetings from your church staff!

*All large-group activities (worship, Bible study, meals) are still not meeting in-person. We will keep you updated as new information comes in. The church office is still open Monday – Thursday, 8:00 am – 1:00 pm.*

**Sunday messages can be viewed at [kingmanforchrist.com](http://kingmanforchrist.com)**

1. On the homepage, you have an option to check out the latest weekly newsletter
2. To bypass the newsletter, simply click the "X" in the upper right hand corner of the newsletter box
3. Follow the link that says "**WATCH US LIVE HERE**"
4. If you are watching at non-live times, you will be automatically redirected to the latest Sunday message

**A Sunday Bible Study can be found on [Facebook.com](https://www.facebook.com/fsbckingman) by searching: [fsbckingman](https://www.facebook.com/fsbckingman)** (it may be in Posts or Videos)

Giving of tithes and offerings remains an important part of our Christian walk and ability to minister. There are several ways to give during these confusing days.

1. Website online giving [kingmanforchrist.com](http://kingmanforchrist.com) click on the "GIVE HERE" button on the homepage
2. Bring your tithe or offering to the office between 9am – 1pm Mon – Thurs (place in lockbox beside office)
3. Mail your tithe or offering to First Southern Baptist Church, 3120

Let us emphasize again the new ministry focus is to those who are most vulnerable. The pastoral team and deacons are taking the lead in this ministry. Here are some examples:

- Pastors Bruce and Richard are still in the office and doing ministry among the people
- Ministry assistant Lexi is still handling logistics in the office
- Deacons are working with their family lists to keep in close contact with those who are vulnerable
- The food bank ministry is now open to our membership only due to fewer resources
- Various volunteers are making arrangements to do a FSBC-style meals on wheels and/or personal food shopping for the most vulnerable in the church
- A weekly sermon and Bible study will be live-cast each week and then placed on our website for viewing at any time: website: [kingmanforchrist.com](http://kingmanforchrist.com) or on Facebook: [fsbckingman](https://www.facebook.com/fsbckingman)
- The pastoral staff is still in the office and available for easy access

The FSBC leadership team will keep you posted as often as possible.

Blessings,

*Bruce Cannon*

Dr. Bruce Cannon, Interim Pastor

***There is a great possibility that groups will not be allowed to meet in public until after Easter Sunday and beyond.***

***We will try to work on creative ways to meet together without violating the intention of the requests to not meet in large groups. One method might be a Parking-Lot service. Other ideas will also be explored.***
