

Position Announcement: Laborer/Equipment Operator (Full-Time)

Location: Ocean Township, NJ

Date Available: ASAP

Organizational Overview: Renova Environmental Services was established in 2006 and specializes in providing a wide variety of responsive environmental consulting and remediation contracting services to residential, commercial, and federal clients. Renova's in-house team consists of project managers, NJ-licensed subsurface evaluators, heavy equipment and CDL operators, and structural experts.

Position Overview: The Laborer position offers a dynamic and self-motivated individual the unique opportunity to be part of a rapidly growing business in a rewarding field.

Key Responsibilities:

- Underground storage tank removal and remediation
- Site work includes excavation, backfill, compaction, and stockpile management
- Power tool and hand tool operation

Compensation: \$14 to \$16 per hour with opportunity for growth; rate based on industry standard; commensurate with experience; generous, full benefits package

Qualifications:

- General construction and power tool operation
- Dedication to jobsite safety
- Clean driving record

Helpful, but not required:

- OSHA 40 HazWoper Training
- CDL Class A

To Apply: Qualified candidates should email a description of work experience or resume describing experience and qualifications to careers@renovaenviro.
