

# SERVICE TO OTHERS - YEAR END REPORT

Complete and return by May 20 to the Youth Leadership Association

Service to others is an important part of YLA. This annual survey of YLA groups' service provides a way to measure what YLA has accomplished. Your information will be compiled with that of all other YLA groups to:

1. Determine the amount and variety of volunteer service provided by YLA to others in need of help.
2. Demonstrate that YLA is a service organization.
3. Interpret YLA to potential contributors and show that their investment in YLA is an investment in leadership and service.
4. Determine the YLA group to receive the YLA Leadership Association's annual "Service to Others" award.
