Making Space for God Vol. I & II (Nine Week Studies each)

Making Space for God is unique in its approach to growing spiritually. So many teachings about the deeper spiritual life have to do with adding something to your life in order to grow spiritually. We do need to pray more, study our Bible more, connect with other Christians, and practice the disciplines of the faith. The idea is not that you take on more but that you take things away-- things that keep you from growing in your relationship with God. If you take on more you can actually crowd God out but if you take away the list of to do's you will actually make more space for the Presence of God in your life.

Making Space for the Words of Jesus Vol. I & II (Nine-Week Studies each)

Jesus had many things to say as He walked this earth. He told us not to be afraid, to have faith, and to love our enemies. In His last prayer to His Father while on earth, He prayed for unity among believers. Springing forth from the cross, every word Jesus had spoken suddenly took on new meaning. After His death, the disciples most likely thought about the things He had said while he was with them and they searched for their meaning. Today as followers of Christ, we too must search for the meaning of His words. And as we search, we will find that The Word no longer hangs on the cross; the cross is empty, His words are life and resurrection.

As you walk through the rebuilding of the walls of Jerusalem, you will walk through the rebuilding of your own broken-down spiritual walls. This is a powerful study designed to bring you healing and wholeness.

Paul's purpose in writing to the church in Rome is to present the gospel, God's plan of salvation to both the Jew and the Gentiles. This study helps you become grounded in Christian doctrine. **CD Set \$30.00, DVD Set \$50.00, Study Guide \$12.00 each**

The Kingdom is Near (Eight-week Study)

When God Says No (Four-week Study)

We all have experienced God's "no" in our lives: dreams that have not become a reality, loss in relationships, difficult times. But God's "no" can mean His higher "yes."
