**SYMPHONY**

42" wall mount organizer

**FEATURES**

- Low profile and high style means the organizer system works as well in an entryway as it does in a bedroom.
- Multiple heights, widths, and leather and metal finish options provide an array of sizes and looks for different spaces and purposes.
- The 42" height is great for entryways, the lower bars are ideal for hanging shoes. Or, place a bench below to create a mudroom like landing space.
- Hooks can be placed almost anywhere along the horizontal bars.
