Veterinary Technician

We are seeking an experienced Veterinary Technician or CVT with a minimum of two years' experience for surgery, dentals, intake, ordering, inventory, tracking, and cleaning.

We are a team-oriented organization with a respect for leadership capabilities.

This exciting, life changing opportunity requires a positive, self-motivated candidate who wants to make a difference for shelter cats, adopters, and the community we live in.

Requirements:

- Must be willing to work flexible hours and weekends.
- Polished and personable with ability to multitask and assist with foster care program and education.
- Strong knowledge of feline medicine and strong cat handling skills.
- Ability to work with the public and with our passionate staff as a team player.
- Strong computer and phone skills are needed along with a love for cats, both domestic and feral.

Cat Depot is a proud to operate a drug and smoke-free workplace. Benefits include competitive salary, health, dental, and vision insurance, vacation pay, continuing education, personal days, and a friendly, talented team who puts cats first, and loves working together!
