SCOPE TRAINING SKILL SETS

TAESS00013 ENTERPRISE TRAINER-MENTORING SKILL SET

OVERVIEW

Training package skill sets are composed of one or more units of competency from a training package and are designed to meet licensing or regulatory requirements, or a defined industry need.

Enterprise Trainer-Mentoring Skill Set provides the necessary skills and knowledge for people training under supervision in the VET sector, who work mainly with individuals or small groups.

PATHWAY INFORMATION

These units provide credit toward a number of qualifications including TAE40116 Certificate IV in Training and Assessment.

SKILL SET UNITS

TAEDEL404 Mentor in the workplace

This unit describes the skills and knowledge required to establish and develop a professional mentoring relationship with an individual in a workplace.

It applies to workplace supervisors or other work colleagues who work under limited supervision and who have responsibility for mentoring one or more individuals in the workplace. This may include, but is not limited to, those who mentor an apprentice or trainee employed by, or undertaking a work placement within, an organisation

TAEDEL301 Provide work skill instruction

This unit describes the skills and knowledge required to conduct individual and group instruction, demonstrate work skills and assess the success of training and one's own training performance, using existing learning resources in a safe and comfortable learning environment.

DELIVERY METHOD

Corporate Workshops

Scope Training run corporate skills set training workshops over 1 or 2 days.

Enterprise Trainer-Mentoring Skill Set training is a one day workshop and can be tailored to our clients specific industry needs.

Students will also have access to online resources to complete their assessment tasks and will have access to a staff member for ongoing support via phone or email while they complete their assessment tasks.

For further information, please contact Scope Training on (08) 9321 6307 or email info@scopetraining.com.au
