SCOPE TRAINING SKILL SETS

TAESS00017 WORKPLACE SUPERVISOR SKILL SET

OVERVIEW

Training package skill sets are composed of one or more units of competency from a training package and are designed to meet licensing or regulatory requirements, or a defined industry need.

Workplace Supervisor Skill Set provides managers and supervisors with the knowledge and skills to support apprentices and trainees.

PATHWAY INFORMATION

These units provide credit toward a number of qualifications including TAE40116 Certificate in Training and Assessment.

SKILL SET UNITS

TAEDEL404 Mentor in the workplace

This unit describes the skills and knowledge required to establish and develop a professional mentoring relationship with an individual in a workplace

TAEASS301 Contribute to assessment

This unit describes the skills and knowledge required to contribute to the assessment process.

TAEDEL301 Provide work skill instruction

This unit describes the skills and knowledge required to conduct individual and group instruction, demonstrate work skills and assess the success of training and one's own training performance, using existing learning resources in a safe and comfortable learning environment.

DELIVERY METHOD

Corporate Workshops

Scope Training run corporate skills set training workshops over 1 or 2 days.

Workplace Supervisor Skill set training is a one day workshop and can be tailored to our clients specific industry needs.

Students will also have access to online resources to complete their assessment tasks and will have access to a staff member for ongoing support via phone or email while they complete their assessment tasks.
