CITY OF OWENSBORO, KENTUCKY \$9,510,000* GENERAL OBLIGATION BONDS AND BOND ANTICIPATION NOTES SERIES 2016D \$6,565,000* GENERAL OBLIGATION BOND ANTICIPATION NOTES, SERIES 2016

Dated: Date of Delivery

INTRODUCTION

The purpose of this Official Statement, which includes the cover page and appendices hereto, is to provide certain information with respect to the issuance of \$9,510,000* aggregate principal amount of General Obligation Bonds, Series 2016D (the "Bonds") and \$6,565,000* aggregate principal amount of General Obligation Bond Anticipation Notes, Series 2016 (the "Notes," and together with the Bonds, the "Obligations") of the City of Owensboro, Kentucky (the "City") as specified on the cover hereof.

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page and appendices hereto, and the documents summarized or described herein. A full review should be made of the entire Official Statement. The offering of the Bonds and Notes to potential investors is made only by means of the entire Official Statement.

The Issuer

The Obligations are being issued by the City of Owensboro, Kentucky, a municipal corporation and political subdivision of the Commonwealth of Kentucky. The City is in Daviess County in West Central Kentucky.

Sources of Payment for the Obligations

The Bonds and Notes are general obligation debt of the City. The basic security for the Bonds and Notes is the City's ability to levy an annual tax to pay the interest on and principal of the Bonds and Notes as and when the same become due and payable. (See "Security and Source of Payment for the Obligations," herein).

Purpose of the Obligations

The Bonds are being issued for the purpose of paying (i) a portion of the costs of the acquisition construction, installation and equipping of an approximately 400 space parking garage and related improvements in the 400 block of East Second Street within the City ("the Construction Project"); and (ii) the costs of issuance of the Bonds. The Notes are being issued for the purpose of paying (i) the costs of purchasing an approximately 340 space existing parking garage and related office space on the 400 block of West Second Street within the City; (ii) the costs of transportation related improvements for the Owensboro transit system (collectively, the "Acquisition Project," and together with the Construction Project, the "Project"); and (iii), the costs of issuance of the Notes.

Description of the Obligations

The Obligations mature as indicated on the cover page hereof. The Obligations are each being offered in fully registered form in denominations of \$5,000 or any integral multiple thereof (within the same maturity).

Optional Redemption

The Bonds maturing on and after December 1, 2027 shall be subject to optional redemption prior to their maturity on any date on or after December 1, 2026, in whole or in part, in any order of maturity selected by the City and by lot within a maturity, at the election of the City upon 45 days' written notice to the Paying Agent and Registrar (as hereinafter defined) at a redemption price equal to the par amount thereof, plus accrued interest to the date of redemption. The

*Preliminary, Subject to Adjustment

Notes maturing on or after December 1, 2020 shall be subject to prior redemption at the option of the City on or after December 1, 2019 in whole or in part, in any order of maturity selected by the City and by lot within a maturity, at the election of the City upon 45 days' written notice to the Paying Agent and Registrar (as hereinafter defined) at a redemption price equal to the par amount thereof, plus accrued interest to the date of redemption.

Extraordinary Mandatory Redemption of Notes

The Notes shall be subject to extraordinary mandatory redemption on December 1, 2017 in whole or in part in an amount equal to the amount of any proceeds of the Notes remaining unexpended as of October 1, 2017, upon 45 days' written notice to the Paying Agent and Registrar, at a redemption price equal to the par amount thereof, plus accrued interest to the date of redemption.

Book Entry

Unless the successful purchasers notifies the City in writing within twenty-four hours of the award of the Bonds Notes that it has elected (at such purchaser's expense) to take physical delivery of the Bonds or Notes, The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Obligations and the Obligations initially will be issued solely in book-entry form to be held in the book-entry only system maintained by DTC. So long as such book-entry system is used, only DTC will receive or have the right to receive physical delivery of Obligations and, except as otherwise provided herein with respect to Beneficial Owners (as defined below) of beneficial ownership interests, Beneficial Owners will not be or be considered to be, and will not have any rights as, owners or holders of the Obligations under the Ordinance.

The following information about the book-entry only system applicable to the Obligations has been supplied by DTC. Neither the City nor the Paying Agent and Registrar make any representations, warranties or guarantees with respect to its accuracy or completeness.

DTC will act as securities depository for the Obligations. The Bonds and Bond Anticipation Notes will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond and one fully registered Note will be issued for in the aggregate principal amount of the Bonds and Notes and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Obligations under the DTC system must be made by or through Direct Participants, which will receive a credit for the Obligations on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Obligations are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of

Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Obligations, except in the event that use of the book-entry system for the Obligations is discontinued.

To facilitate subsequent transfers, all Obligations deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Obligations with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Obligations; DTC's records reflect only the identity of the Direct Participants to whose accounts such Obligations are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Obligations may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Obligations, such as redemptions, tenders, defaults, and proposed amendments to the Bond and Note documents. For example, Beneficial Owners of Obligations may wish to ascertain that the nominee holding the Obligations for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Paying Agent and Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds or Notes are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Obligations unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Paying Agent and Registrar as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Obligations are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Obligations will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Paying Agent and Registrar, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with Obligations held for the accounts of customers in bearer form or registered in "street name" and will be the responsibility of such Participant and not of DTC or its nominee, the Paying Agent and Registrar or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Paying Agent and Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Obligations purchased or tendered, through its Participant, to the Remarketing Agent and shall effect delivery of such Obligations by causing the Direct Participant to transfer the Participant's interest in the Obligations, on DTC's records, to the Remarketing Agent. The requirement for physical delivery of Obligations in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Obligations are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Obligations to the Remarketing Agent's DTC account.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable but neither the City nor the Paying Agent and Registrar take any responsibility for the accuracy thereof.

NEITHER THE CITY NOR THE PAYING AGENT AND REGISTRAR WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON NOT SHOWN ON THE REGISTRATION BOOKS OF THE PAYING AGENT AND REGISTRAR AS BEING A HOLDER WITH RESPECT TO: (1) THE OBLIGATIONS; (2) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (3) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PURCHASE PRICE OF TENDERED OBLIGATIONS

OR THE PRINCIPAL OR REDEMPTION PRICE OF OR INTEREST ON THE OBLIGATIONS; (4) THE DELIVERY BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY NOTICE TO ANY BENEFICIAL OWNER WHICH IS REQUIRED OR PERMITTED UNDER THE TERMS OF THE RESOLUTION TO BE GIVEN TO HOLDERS; (5) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE OBLIGATIONS; OR (6) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS HOLDER.

Each Beneficial Owner for whom a Direct Participant or Indirect Participant acquires an interest in the Obligations, as nominee, may desire to make arrangements with such Direct Participant or Indirect Participant to receive a credit balance in the records of such Direct Participant or Indirect Participant, to have all notices of redemption, elections to tender Obligations or other communications to or by DTC which may affect such Beneficial Owner forwarded in writing by such Direct Participant or Indirect Participant, and to have notification made of all debt service payments. Beneficial Owners may be charged a sum sufficient to cover any tax, fee, or other governmental charge that may be imposed in relation to any transfer or exchange of their interests in the Obligations.

The City and the Paying Agent and Registrar cannot and do not give any assurances that DTC, Direct Participants, Indirect Participants or others will distribute payments of debt service on the Obligations made to DTC or its nominee as the registered owner, or any redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or that DTC, Direct Participants or Indirect Participants will serve and act in the manner described in this Official Statement.

DTC may determine to discontinue providing its service as securities depository with respect to the Obligations at any time by giving notice to the City and discharging its responsibilities with respect thereto under applicable law. In such event, the Ordinance provides for issuance of fully registered Obligations ("Replacement Bonds" and "Replacement Notes") directly to the Beneficial Owners of the Obligations, other than DTC or its nominee, only in the event that DTC resigns or is removed as the securities depository for the Obligations. Upon the occurrence of this event, the City and the Paying Agent and Registrar may appoint another qualified depository. If the City and the Paying Agent and Registrar fail to appoint a successor depository, the Obligations shall be withdrawn from DTC and issued in fully registered form, whereupon the City shall execute and the Paying Agent and Registrar, as authenticating agent, shall authenticate and deliver Replacement Bonds and Notes in the denomination of \$5,000 or integral multiples thereof. The City will pay for all costs and expenses of printing, executing and authenticating the Replacement Bonds and Notes. Transfer and exchange of such Replacement Bonds and Notes shall be made as provided in the Ordinance.

Tax Treatment

In the opinion of Bond Counsel, based upon present laws, regulations, rulings and decisions in effect on the date of delivery of the Obligations, and assuming continuing compliance with certain covenants made by the City, interest on the Obligations is excludible from gross income for federal income tax purposes upon the conditions and subject to the limitations set forth herein under "TAX TREATMENT." Bond Counsel is also of the opinion that interest on the Obligations will not be a specific item of tax preference under Section 57 of the Code for purposes of the federal individual and corporate alternative minimum taxes. Receipt of interest on the Obligations may result in other federal income tax consequences to certain owners of the Obligations.

Interest on the Obligations is also exempt from Kentucky income tax and the Obligations are exempt from ad valorem taxation by the Commonwealth of Kentucky and any of its political subdivisions.

The City has not designated either the Bonds or the Notes as "qualified tax-exempt obligations" with respect to certain financial institutions under Section 265 of the Internal Revenue Code of 1986, as amended. See "TAX TREATMENT" herein. See Appendix E for the form of the opinion Bond Counsel proposes to deliver in connection with the Bonds and Appendix F for the form of opinion Bond Counsel proposes to deliver in connection with the Notes.

Parties to the Issuance of the Obligations

The Registrar and Paying Agent is U. S. Bank National Association, Louisville, Kentucky. Legal matters incident to the issuance of the Obligations and with regard to the tax status of the interest thereon are subject to the approving legal opinion of Dinsmore & Shohl LLP, Covington, Kentucky, Bond Counsel. The Financial Advisor to the City is First Kentucky Securities Corporation.

Authority for Issuance

Authority for the issuance of the Obligations is provided by Sections 66.011 through 66.171 of the Kentucky Revised Statutes and an ordinance (the "Ordinance") adopted by the Board of Commissioners of the City on November 1, 2016.

Disclosure Information

This Official Statement speaks only as of its date, and the information contained herein is subject to change. This Official Statement and continuing disclosure documents of the City are intended to be made available through one or more repositories. Copies of the basic documentation relating to the Obligations, including the Ordinance and the bond and note forms, are available from the City.

The City deems this Preliminary Official Statement to be final for the purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), except for certain information on the cover page hereof, and certain pages herein which have been omitted in accordance with the Rule and will be provided with the final Official Statement.

Additional Information

Additional information concerning this Official Statement, as well as copies of the basic documentation relating to the Obligations, is available from First Kentucky Securities Corporation, Financial Advisor to the City of Owensboro, 377 East Main Street, Lexington, Kentucky 40507, telephone (859) 425-1100, Attention: Stan Kramer.

The Obligations are being issued as fully registered Bonds and Notes in the denomination of \$5,000 or any integral multiple thereof.

Interest on the Obligations is payable semi-annually on June 1 and December 1, commencing June 1, 2017. The record dates for June 1 and December 1 interest payment dates shall be the preceding May 15 and November 15, respectively.

Optional Redemption

The Bonds maturing on and after December 1, 2027 shall be subject to optional redemption prior to their maturity on any date on or after December 1, 2026, in whole or in part, in any order of maturity selected by the City and by lot within a maturity, at the election of the City upon 45 days' written notice to the Paying Agent and Registrar (as hereinafter defined) at a redemption price equal to the par amount thereof, plus accrued interest to the date of redemption. The Notes maturing on or after December 1, 2020 shall be subject to prior redemption at the option of the City on or after December 1, 2019 in whole or in part, in any order of maturity selected by the City and by lot within a maturity, at the election of the City upon 45 days' written notice to the Paying Agent and Registrar (as hereinafter defined) at a redemption price equal to the par amount thereof, plus accrued interest to the date of redemption.

Extraordinary Mandatory Redemption of Notes

The Notes shall be subject to extraordinary mandatory redemption on December 1, 2017 in whole or in part in an amount equal to the amount of any proceeds of the Notes remaining unexpended as of October 1, 2017, upon 45 days' written notice to the Paying Agent and Registrar, at a redemption price equal to the par amount thereof, plus accrued interest to the date of redemption.

Notice of Redemption

At least thirty (30) days before the redemption date of any Obligations subject to optional or mandatory redemption, the Paying Agent and Registrar shall cause a notice of such redemption either in whole or in part, signed by the Paying Agent and Registrar, to be mailed, first class, postage prepaid, to all registered owners of the Bonds or Notes to be redeemed at their addresses as they appear on the registration books kept by the Paying Agent and Registrar, but failure to mail any such notice shall not affect the validity of the proceedings for such redemption of Bonds or Notes for which such notice has been sent. Each such notice shall set forth the date fixed for redemption, the redemption price to be paid and, if less than all of the Bonds or Notes being payable by their terms on a single date then outstanding shall be called for redemption, the distinctive number or letters, if any, of such Bonds or Notes to be redeemed. U.S. Bank National Association, Louisville, Kentucky, has been appointed Paying Agent and Registrar for the Obligations.

Security and Source of Payment for the Obligations

The Bonds and Notes are general obligations of the City and the full faith, credit and taxing power of the City is irrevocably pledged to the payment of principal of and interest on the Bonds and Notes when due.

The basic security for general obligation debt of the City, including the Bonds and Notes, is the City's ability to levy, and its pledge to levy and collect, an annual tax to pay the interest on and principal of the Obligations as and when the same become due and payable. The tax must be levied in sufficient amount to pay, as the same become due, the principal of and interest on the Obligations as well as the principal of and interest on all outstanding general obligation debt of the City. The Constitution of the State mandates the collection of a tax sufficient to pay the interest on an authorized indebtedness and the creation of a sinking fund for the payment of the principal thereof. The Ordinance levies such annual tax which shall be collected to the extent other lawfully available moneys of the City are not provided. The Ordinance also creates a sinking fund into which the proceeds of such tax or other lawfully available moneys of the City are to be deposited for payment of the interest on and principal of general obligation debt of the City and shall not be used for any other purpose.

Pursuant to the Ordinance, the Notes are being issued in anticipation of the future issuance by the City of its general obligation bonds (the "Acquisition Project Bonds") for the purpose of permanently financing the Acquisition Project, and the proceeds of said Acquisition Project Bonds, if, as and when issued, in an amount necessary to pay the maturing principal of, and interest on, the Notes on December 1, 2020, are further security for the payment of the Notes. Said Acquisition Project Bonds shall be dated no later than the maturity or earlier redemption date of the Notes and shall mature over a period not exceeding twenty-five years. In the Ordinance, the City reserves the right to issue renewal notes when, prior to maturity or redemption of the Notes, the City shall make a determination that by reason of delays, changes in plans, high long-term interest rates or uncertainties in the municipal bond market, or other causes justifying delay in the final offering of the Acquisition Project Bonds, the Acquisition Project Bonds should not immediately be offered, and the proceeds of the sale of such renewal notes shall be applied to the payment of the principal of the Notes.

Chapter 9 of the Federal Bankruptcy Code contains provisions relating to the adjustment of debts of a State's political subdivisions, public agencies and instrumentalities ("eligible entity"), such as the City. Under the Bankruptcy Code and in certain circumstances described therein, an eligible entity may be authorized to initiate Chapter 9 proceedings without prior notice to or consent of its creditors, which proceedings may result in material and adverse modification or alteration of the rights of its secured and unsecured creditors, including holders of the Obligations.

Section 66.400 of the Kentucky Revised Statutes permits a political subdivision, such as the City, for the purpose of enabling such subdivision to take advantage of the provisions of the Bankruptcy Code, and for that purpose only, to file a petition stating that the subdivision is insolvent or unable to meet its debts as they mature, and that it desires to effect a plan for the composition or readjustment of its debts, and to take such further proceedings as are set forth in the Bankruptcy Code as they relate to such subdivision.

INVESTMENT CONSIDERATIONS

The Obligations, like all obligations of state and local government, are subject to changes in value due to changes in the condition of the tax-exempt bond market and/or changes in the financial condition of the City.

Prospective purchasers of the Obligations may need to consult their own tax advisors prior to any purchase of the Obligations as to the impact of the Internal Revenue Code of 1986, as amended, upon their acquisition, holding or disposition of the Obligations.

It is possible under certain market conditions, or if the financial condition of the City should change, that the market price of the Obligations could be adversely affected.

With regard to the risk involved in a lowering of the City's bond rating, see "RATINGS" herein. With regard to creditors' rights, see "DESCRIPTION OF THE OBLIGATIONS – Security and Sources of Payment for the Obligations" herein.

PROFILE OF THE CITY AND SURROUNDING AREA

Demographic, economic and financial information with respect to the City and the surrounding area is set forth in Appendix A hereto.

CITY GOVERNMENT

Organization and Major Offices

The City operates pursuant to the general statutes of the Commonwealth of Kentucky governing municipalities.

Elected and Appointed Officials

The City operates under a City Manager form of government. The Owensboro Board of Commissioners (the "Board") is made up of a Mayor and four Commissioners elected at large by the citizens on a non-partisan ballot. The Mayor is elected for a four-year term and Commissioners for a two-year term. The Mayor and Commissioners have equal voting power.

The Board sets the policies that govern the City. It appoints advisory citizen groups that help in the decision making process. The City Manager is hired by the Board and is responsible for the day-to-day operations of the City's employees. The department managers are responsible for their various departments and report to the City Manager.

Financial Matters

The Finance and Support Services Director is the chief fiscal officer of the City, and is appointed by and serves at the pleasure of the Board. The Finance and Support Services Director is responsible for the accounting, collection, custody and disbursement of the funds of the City.

The City's fiscal year commences July 1 and ends the following June 30.

The administrative functions of the City are performed by or under the supervision of the following:

1. Establishment of overall financial policy, the Board.
2. Planning and development, the Mayor and Manager.
3. Assessment of real and personal property, the Daviess County Property Valuation Administrator.
4. Financial control functions, the Manager and the Finance and Support Services Director.
5. Inspection and supervision of the accounts and reports of the City as required by law, by the Kentucky Auditor of Public Accounts and by independent certified public accountants.

Financial Management

The Board is responsible for appropriating the funds used to support the various City activities. The Board exercises its legislative powers by budgeting, appropriating, levying taxes, issuing bonds and notes, and letting contracts for public works and services to provide this financial management.

Financial Reports and Examinations of Accounts

Each city in the State is required to keep its accounting records and render financial reports in such a way as to: (a) determine compliance with statutory provisions; (b) determine fairly and with full disclosure the financial operations of consistent funds and account groups of the city in conformity with generally accepted governmental accounting principles; and (c) readily provide such financial data as may be required by the federal revenue sharing program.

Municipal accounting systems are required to be organized and operated on a fund basis. The City maintains its accounts and other fiscal records on an appropriation and modified accrual basis in accordance with the procedures established and prescribed by the Kentucky Department for Local Government.

As required by law, financial reports are prepared annually by the City and filed with the Kentucky Department of Local Government. Audits are required to be completed by the February 1st immediately following the fiscal year being audited.

The accounting procedures prescribed by the Kentucky Department of Local Government are generally applicable to all cities in Kentucky and may be different from generally accepted government accounting principles as presented and recommended in the National Council on Governmental Accounting publication "Governmental Accounting Auditing and Financial Reporting," and the Industry Audit Guide of the American Institute of Certified Public Accountants, entitled "Audits of State and Local Governmental Units." Those publications, among other things, provide for a modified accrual basis of accounting for the general fund, all special revenue funds and the debt service fund, and for a full accrual basis of accounting for all other funds, and further provide for the preparation for each fund of balance sheets, statements of revenues and expenditures, and statements showing changes in fund balances.

Budgeting and Appropriations Procedures

Detailed provisions for City budgeting, tax levies and appropriations are made in the Kentucky Revised Statutes. Cities are required to operate under an annual budget ordinance and no City may expend any moneys from a governmental or proprietary fund except in accordance with such budget. A budget proposal must be submitted to the City's legislative body no later than 30 days prior to the beginning of the fiscal year covered by the budget. No budget ordinance may be adopted which provides for appropriations to exceed revenues in a fiscal year. The full amount estimated to be required for debt service during the budget year must be appropriated.

Investment Policies

Section 66.480 of the Kentucky Revised Statutes sets forth the requirements and limitations for investments of the state's political subdivisions, including the City. Under that Section, the City must adopt an investment policy and may invest its funds only in the classifications of obligations which are eligible for investment, which are as follows:

- (a) Obligations of the United States and of its agencies and instrumentalities, including obligations subject to repurchase agreements, if delivery of these obligations subject to repurchase agreements is taken either directly or through an authorized custodian. These investments may be accomplished through repurchase agreements reached with sources including, but not limited to, national or state banks chartered in Kentucky;
- (b) Obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States or a United States governmental agency, including but not limited to:
 - 1. United States Treasury;
 - 2. Export-Import Bank of the United States;
 - 3. Farmers Home Administration;
 - 4. Governmental National Mortgage Corporation; and
 - 5. Merchant Marine Bonds and Bond Anticipation Notes;(c) Obligations of any corporation of the United States government, including but not limited to:
 - 1. Federal Home Loan Mortgage Corporation;
 - 2. Federal Farm Credit Banks;
 - 3. Bank for Cooperatives;
 - 4. Federal Intermediate Credit Banks;
 - 5. Federal Land Banks;
 - 6. Federal Home Loan Banks;
 - 7. Federal National Mortgage Association; and
 - 8. Tennessee Valley Authority;
- (d) Certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation or similar entity or which are collateralized, to the extent uninsured, by any obligations permitted by KRS 41.240(d);
- (e) Uncollateralized certificates of deposit issued by any bank or savings and loan institutions rated in one (1) of the three (3) highest categories by a nationally recognized rating agency;
- (f) Bankers' acceptances for banks rated in one (1) of the three (3) highest categories by a nationally recognized rating agency;
- (g) Commercial paper rated in the highest category by a nationally recognized rating agency;
- (h) Bonds or certificates of indebtedness of this state and of its agencies and instrumentalities;
- (i) Securities issued by a state or local government, or any instrumentality of agency thereof, in the United States, and rated in one (1) of the three highest categories by a nationally recognized rating agency; and
- (j) Shares of mutual funds, each of which shall have the following characteristics:
 - 1. The mutual fund shall be an open-end diversified investment company registered under the Federal Investment Company Act of 1940, as amended;
 - 2. The management company of the investment company shall have been in operation for at least five (5) years; and
 - 3. All of the securities in the mutual fund shall be investments described in (a) through (i) above.

The obligations invested in, in any event, shall mature not later than the time funds may be needed for the payments of Bond requirements.

Debt Limitation

Kentucky Constitution Section 158 provides that cities shall not incur indebtedness to an amount exceeding the following maximum percentages on the value of the taxable property therein, to be estimated by the last assessment previous to the incurring of the indebtedness:

- (a) Cities having a population of fifteen thousand (15,000) or more, ten percent (10%);

- (b) Cities having a population of less than fifteen thousand (15,000) but not less than three thousand, five percent (5%); and
- (c) Cities having a population of less than three thousand (3,000), three percent (3%).

Nothing shall prevent the issue of renewal bonds or notes to fund the floating indebtedness of any city, county, or taxing district. Subject to the limits and conditions set forth in that section and elsewhere in the Constitution, the General Assembly has the power to establish additional limits on indebtedness and conditions under which debt may be incurred by cities.

KRS 66.041 provides the same limitations as are set forth in the Constitution except that the limitations apply to "net indebtedness". In calculating "net indebtedness," KRS 66.031 provides that certain obligations of a municipality are not to be considered in the calculation, including self-supporting obligations and special assessment debt. (For a complete list of exempt debt see the Statement of Indebtedness attached as Appendix D.)

Other infrequently-issued types of obligations are also excluded from the calculation of net indebtedness. The City has no such obligations outstanding. Notes issued in anticipation of bonds excluded from the calculation of net indebtedness are also excluded from such calculation.

Appendix D of this Official Statement is a Statement of Indebtedness for the City, certified by the City, calculating the amount of the outstanding obligations of the City (including the Obligations) which are subject to the total direct debt limit (10% limit). The total principal amount of general obligation debt that could be issued by the City, subject to the 10% total direct debt limitation is \$341,661,119 and the City's net debt subject to such limitation presently outstanding (including the Obligations) is \$159,895,417 leaving a balance of approximately \$181,765,702 borrowing capacity issuable within such limitation. However, as described below, the City's ability to incur debt in these amounts is restricted by tax limitations. In the case of general obligation debt, both the debt limitations and tax limitations must be met.

Tax Limitation

The Kentucky Constitution Section 157 also indirectly imposes a debt limitation on general obligation indebtedness of Cities by limiting the tax rates cities may impose upon the value of taxable property, as follows:

- (a) cities having a population of fifteen thousand or more, one dollar and fifty cents on each hundred dollars of assessed value;
- (b) cities having a population of less than fifteen thousand and not less than ten thousand, one dollar on each hundred dollars of assessed value; and
- (c) cities having a population of less than ten thousand, seventy-five cents on the hundred dollars.

Section 159 of the Kentucky Constitution requires the collection of an annual tax sufficient to pay the interest on contracted indebtedness and to retire indebtedness over a period not exceeding forty years. The two constitutional provisions operate as a limit on general obligation debt. Because the indirect debt limit results from tax limitations and the requirement to levy taxes to pay debt charges, it has application only to debts which are payable from taxes either initially or in the event other pledged non-tax revenues prove to be insufficient. It does not have any application where the type of debt being issued does not pledge the credit of the municipality or when the debt is payable solely out of the revenues of non-tax sources, such as utility income.

Appendix D of this Official Statement contains a Statement of Indebtedness, certified by the City, setting forth the real property tax rate currently levied by the City (.2593) and certifying that the issuance of the Obligations will not cause such rate to increase to an amount which would exceed the maximum permissible rate.

Bond Anticipation Notes

Under Kentucky law, notes, including renewal notes, issued in anticipation of general obligation bonds may be issued from time to time upon the same terms and conditions as bonds except that notes having a maturity of five years or less may be sold by private negotiated sale in a manner determined or authorized by the legislative authority.

The ability of the City to retire bond anticipation notes from the proceeds of the sale of either renewal notes or bonds will be dependent upon the marketability of such renewal notes or bonds under market conditions then prevailing.

Future Borrowings of the City

From time to time public interest groups approach the City with proposals for the financing of various projects. At the present time, the City does not anticipate issuing additional general obligation debt at this time. The City, however, reserves the right to regularly reviews and consider public projects for future funding that may be in the best interests of the residents of the City.

LEGAL MATTERS

General Information

Legal matters incident to the issuance of the Obligations and with regard to the tax-exempt status thereof are subject to the approving legal opinion of Dinsmore & Shohl LLP, Bond Counsel. Upon delivery of the Obligations of the City to the successful bidders therefor, the Bonds and Notes will be accompanied by an approving opinion dated the date of such delivery, rendered by Dinsmore & Shohl LLP. A draft of such legal opinion for the Bonds is attached as Appendix E. A draft of such legal opinion for the Notes is attached as Appendix F.

Said firm as Bond Counsel has performed certain functions to assist the City in the preparation by the City of its Official Statement. However, said firm assumes no responsibility for, and will express no opinion regarding the accuracy or completeness of this Official Statement or any other information relating to the City or the Obligations that may be made available by the City or others to the bidders or holders of the Obligations or others.

The engagement of said firm as Bond Counsel is limited to the preparation of certain of the documents contained in the transcript of proceedings with regard to the Bonds and Notes, and an examination of such transcript proceedings incident to rendering its legal opinion. In its capacity as Bond Counsel, said firm has reviewed the information in this Official Statement under Sections entitled "General Information" as to legal matters, "Authority for Issuance", "Security and Source of Payment for the Obligations", "Debt Limitation", "Tax Limitation" and "Tax Treatment", which review did not include any independent verification of financial statements and statistical data included therein, if any.

Transcript and Closing Certificates

A complete transcript of proceedings, a no-litigation certificate and other appropriate closing documents will be delivered by the City when the Obligations are delivered to the original purchasers. The City will also provide to the original purchasers, at the time of such delivery, a certificate from the City's Mayor and/or Clerk addressed to such purchaser relating to the accuracy and completeness of this Official Statement.

Litigation

To the knowledge of the City, no litigation or administrative action or proceeding is pending or threatened directly affecting the Obligations, the security for the Obligations or the improvements being financed from the proceeds of the Obligations. A No-Litigation Certificate to that effect will be delivered to the purchasers at the time of the delivery of the Obligations.

TAX TREATMENT

General

In the opinion of Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, interest on the Obligations will be excludible from gross income for federal income tax purposes. Bond Counsel is also of the opinion that interest on the Obligations will not be a specific item of tax preference under Section 57 of the Code for purposes of the federal individual and corporate alternative minimum taxes. Bond Counsel is also of the opinion that interest on the Obligations is exempt from Kentucky income taxation and the Obligations are exempt from ad valorem taxation by the Commonwealth of Kentucky and any of its agencies or political subdivisions.

The substantially final form of the opinion of Bond Counsel for the Bonds is set forth in APPENDIX E, attached hereto. The substantially final form of the opinion of Bond Counsel for the Notes is set forth in APPENDIX F, attached hereto.

The Code imposes various restrictions, conditions, and requirements relating to the qualification of the Obligations as so-called "tax-exempt obligations." The City has covenanted to comply with certain restrictions designed to ensure that interest on the Obligations will not be includable in gross income for federal income tax purposes. Failure to comply with these covenants could result in the Bonds or Notes not qualifying as "tax-exempt obligations" and thus interest on the Bonds or Notes being includable in the gross income of the holders thereof for federal income tax purposes. Such failure to qualify and the resulting inclusion of interest could be required retroactively to the date of issuance of the Bonds or Notes. The opinions of Bond Counsel assume compliance with these covenants. However, Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events occurring (or not occurring) after the date of issuance of the Obligations may adversely affect the federal or Kentucky tax status of the Bonds or Notes.

Certain requirements and procedures contained, or referred to, in the Ordinance and other relevant documents may be changed and certain actions (including, without limitation, defeasance of the Bonds or Notes) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to the Bonds or Notes or the interest thereon if any such change occurs or action is taken or omitted upon the advice or approval of bond counsel other than Dinsmore & Shohl LLP.

Although Bond Counsel for the Obligations is of the opinion that interest on the Obligations is excludible from gross income for federal income tax purposes and the above-described opinions with respect to state and local taxation, the ownership or disposition of, or the accrual or receipt of interest on, the Obligations may otherwise affect a holder's federal, state or local tax liabilities. The nature and extent of these other tax consequences may depend upon the particular tax status of the holder or the holder's other items of income or deduction. Bond Counsel expresses no opinions regarding any tax consequences other than what is set forth in its opinion and each holder or potential holder is urged to consult with tax counsel with respect to the effects of purchasing, holding or disposing the Obligations on the tax liabilities of the individual or entity.

For example, although Bond Counsel is of the opinion that interest on the Obligations is not a specific item of tax preference for the federal alternative minimum tax, corporations are required to include all tax-exempt interest in determining "adjusted current earnings" under Section 56(c) of the Code, which may increase the amount of any alternative minimum tax owed. Receipt of tax-exempt interest, ownership or disposition of the Obligations may result in other collateral federal, state or local tax consequence for certain taxpayers. Such effects may include, without limitation, increasing the federal tax liability of certain foreign corporations subject to the branch profits tax imposed by § 884 of the Code, increasing the federal tax liability of certain insurance companies, under § 832 of the Code, increasing the federal tax liability and affecting the status of certain S Corporations subject to §§ 1362 and 1375 of the Code, increasing the federal tax liability of certain individual recipients of Social Security or the Railroad Retirement benefits, under Section 86 of the Code and, for tax years beginning in 1997, limiting the amount of the Earned Income Credit under Section 32 of the Code that might otherwise be available. Ownership of any Obligations may also result in the limitation of interest and certain other deductions for financial institutions and certain other taxpayers, pursuant to § 265 of the Code. Finally, residence of the holder of Obligations in a state other than Kentucky or being subject to tax in a state other than Kentucky, may result in income or other tax liabilities being imposed by such states or their political subdivisions based on the interest or other income from the Obligations.

The City has not designated either the Bonds or the Notes as "qualified tax-exempt obligations" under Section 265 of the Code.

Original Issue Discount

The Obligations having a yield that is higher than the interest rate (as shown on the inside cover page hereof) are being offered and sold to the public at an original issue discount ("OID") from the amounts payable at maturity thereon (the "Discount Bonds" and "Discount Notes"). OID is the excess of the stated redemption price of a bond or note at maturity (the face amount) over the "issue price" of such bond or note. The issue price is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of Bonds or Notes of the same maturity are sold pursuant to that initial offering. For federal income tax purposes, OID on each bond or note will accrue over the term of the bond or note, and for the Discount Bonds and Discount Notes, the amount of accretion will be based on a single rate of interest, compounded semiannually (the "yield to maturity"). The amount of OID that accrues during each semi-annual period will do so ratably over that period on a daily basis. With respect to an initial purchaser of a Discount Bond or Discount Note at its issue price, the portion of OID that accrues during the period that such purchaser owns the Discount Bond or Discount Note is added to such purchaser's tax basis for purposes of determining gain or loss at the maturity, redemption, sale or other disposition of that Discount Bond or Discount Note and thus, in practical effect, is treated as stated interest, which is excludible from gross income for federal income tax purposes.

Holders of Discount Bonds and Discount Notes should consult their own tax advisors as to the treatment of OID and the tax consequences of the purchase of such Discount Bonds and Discount Notes other than at the issue price during the initial public offering and as to the treatment of OID for state tax purposes.

Original Issue Premium

"Acquisition Premium" is the excess of the cost of a bond or note over the stated redemption price of such bond or note at maturity or, for Bonds or Notes that have one or more earlier call dates, the amount payable at the next earliest call date. The Bonds and Notes that bear an interest rate that is higher than the yield (as shown on the inside cover page hereof), are being initially offered and sold to the public at an Acquisition Premium (the "Premium Bonds" and "Premium Notes"). For federal income tax purposes, the amount of Acquisition Premium on each bond or note the interest on which is excludible from gross income for federal income tax purposes ("tax-exempt bonds" or "tax-exempt notes") must be amortized and will reduce the holder's adjusted basis in that bond or note. However, no amount of amortized Acquisition Premium on tax-exempt bonds or notes may be deducted in determining a holder's taxable income for federal income tax purposes. The amount of any Acquisition Premium paid on the Premium Bonds or Premium Notes, or on any of the Bonds or Notes, that must be amortized during any period will be based on the "constant yield" method, using the original holder's basis in such Bonds or Notes and compounding semiannually. This amount is amortized ratably over that semiannual period on a daily basis.

Legislative Proposals

There are or may be pending in the Congress of the United States legislative proposals, including some that carry retroactive effective dates, that, if enacted, could alter or amend the federal tax matters described above or affect the market value of the Series 2016 Bonds. It cannot be predicted whether or in what form these proposals might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. Prospective purchasers of the Series 2016 Bonds should consult their own tax advisors regarding pending or proposed federal tax legislation.

PROSPECTIVE PURCHASERS OF THE BONDS AND NOTES ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS PRIOR TO ANY PURCHASE OF THE BONDS AND NOTES AS TO THE IMPACT OF THE INTERNAL REVENUE CODE OF 1986 AS AMENDED, UPON THEIR ACQUISITION, HOLDING OR DISPOSITION OF THE BONDS OR NOTES.

RATINGS

As noted on the cover page of this Official Statement, Moody's Investor's Service, Inc. ("Moody's") has assigned its municipal bond rating of "___", to this issue of Bonds and its municipal bond rating of "___", to this issue of Notes.

Such ratings reflect only the view of said organization. Any explanation of the significance of such ratings may only be obtained from Moody's, at the following address: Moody's Investors Service, 7 World Trade Center at 250 Greenwich Street, New York, New York 10007.

There can be no assurance that a rating when assigned will continue for any given period of time or that it will not be lowered or withdrawn entirely by the rating agency if in its judgment circumstances so warrant. Any such downward change in or withdrawal of a rating may have an adverse effect on the marketability and/or market price of the Bonds or Notes.

The City presently expects to furnish such rating agency with information and material that it may request on future general obligation bond issues. However, the City assumes no obligation to furnish requested information and materials, and may issue debt for which a rating is not requested. Failure to furnish requested information and materials, or the issuance of debt for which a rating is not requested, may result in the suspension or withdrawal of the rating agency's ratings on outstanding general obligation bonds and notes.

CONTINUING DISCLOSURE

In accordance with the Securities and Exchange Commission Rule 15c2-12 (the "Rule") and so long as the Obligations are outstanding the City (the "Obligated Person") will agree pursuant to a Continuing Disclosure Undertaking (the "Disclosure Undertaking"), to be delivered on the date of delivery of the Obligations, to cause the following information to be provided:

- (i) to the Municipal Securities Rulemaking Board (the "MSRB"), certain annual financial information and operating data, including audited financial statements prepared in accordance with generally accepted

accounting principles as applied to governmental units, generally consistent with the information contained in "Appendix A" under the headings, "Tax Base Information," "Assessment Rates," and "Tax Collections," and "Appendix C" ("Comprehensive Annual Financial Report") of the Official Statement; such information shall be provided within 210 days following the fiscal year ending on the preceding June 30, commencing with the fiscal year ending June 30, 2016, provided that the audited financial statements may not be available by such date, but will be made available immediately upon delivery thereof by the auditor to the Obligated Person;

- (ii) to the MSRB, in a timely manner, not in excess of ten business days after the occurrence of the event, notice of the occurrence of the following events with respect to the Bonds and Bond Anticipation Notes:
 - (a) Principal and interest payment delinquencies;
 - (b) Non-payment related defaults, if material;
 - (c) Unscheduled draws on debt service reserves reflecting financial difficulties;
 - (d) Unscheduled draws on credit enhancements reflecting financial difficulties;
 - (e) Substitution of credit or liquidity providers, or their failure to perform;
 - (f) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the security, or other material events affecting the tax-exempt status of the security;
 - (g) Modifications to rights of security holders, if material;
 - (h) Bond calls, except for mandatory scheduled redemptions not otherwise contingent upon the occurrence of an event;
 - (i) Defeasances;
 - (j) Release, substitution or sale of property securing repayment of the securities;
 - (k) Rating changes;
 - (l) Bankruptcy, insolvency, receivership or similar event of the obligated person (Note: For the purposes of this event, the event is considered to occur when any of the following occur: The appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person);
 - (m) The consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and
 - (n) Appointment of a successor or additional trustee or the change of name of a trustee, if material.
- (iii) in a timely manner to the MSRB, notice of a failure (of which the Obligated Persons have knowledge) of an Obligated Person to provide the required Annual Financial Information on or before the date specified in the Disclosure Undertaking.

The Disclosure Undertaking provides holders, including beneficial owners of the Obligations, with certain enforcement rights in the event of a failure by the Obligated Person to comply with the terms thereof; however, a default under the Disclosure Undertaking does not constitute an event of default under the Ordinance. The Disclosure Undertaking may also be amended or terminated under certain circumstances in accordance with the Rule as more fully described therein. For purposes of this transaction with respect to material events as defined under the Rule:

- (a) there are no debt service reserve funds applicable to the Obligations;
- (b) there are no credit enhancements applicable to the Obligations;
- (c) there are no liquidity providers applicable to the Obligations; and
- (d) there is no property securing the Obligations.

The City has entered into previous disclosure undertakings regarding its general obligation debt under the Rule. To the best of the City's knowledge, the City has been in compliance with its continuing disclosure undertakings for the past five years,

with the following exceptions: Financial Information for Fiscal Year 2011 was timely published but did not timely appear on EMMA for all of the City's bond issues bearing the same base CUSIP number. The disclosure for Fiscal Year 2011 is now properly published for all bond issues bearing the same base CUSIP number. In addition, certain prior undertakings provided for continuing disclosure of debt service schedules for certain Bonds. There has been no change in these schedules since the initial filing, so these disclosures have not been updated on EMMA. Certain demographic and economic and tax information related to Daviess County, Kentucky, contained in Official Statement Appendices which were the subject of prior continuing disclosure undertakings do not constitute operating data of the city and the city has not updated this data on EMMA. Other demographic and economic and tax information related to the City has been updated by inclusion in the annual audited financial report.

The City has also entered into previous disclosure undertakings regarding water and sewer revenue bonds and notes and electric revenue bonds and notes. These utilities are operated by Owensboro Municipal Utilities. In the past five years there have been numerous rating actions reported by Moody's Investors Service, Standard & Poor's Rating Corporation and Fitch Ratings affecting the municipal bond insurance companies, some of which had insured bonds previously issued by the City and its related utility revenue entities. Due to widespread knowledge of these rating actions, material event notices were not filed by the City in each instance.

APPENDIX A

City of Owensboro Demographic, Economic and Financial Data

City of Owensboro

General Information

Owensboro, originally known as "Yellowbanks" in reference to the color of the soil along the Ohio River banks, was first settled in 1797. By 1810, David Morton had opened a general store and population of the settlement grew to 100 by 1815. An 1817 Act of the Kentucky Legislature incorporated the town as "Owensborough", later shortened to "Owensboro." The Owensboro area has grown steadily, while retaining the "small town quality" of a friendly city of warm-hearted and hospitable people. Owensboro ranks as Kentucky's third largest city in terms of population and is the industrial and cultural capital of western Kentucky.

In 2013, Owensboro was named an All-American city by the National Civic League, one of only ten communities selected nationwide. Forbes Magazine ranked Owensboro #6 on their 2013 "Best Small Cities for Jobs" rankings and #62 "Best Small Places for Business and Careers," including a #24 in job growth and #37 ranking for "Low Cost of Doing Business." Other recent national recognitions include being named Kentucky's representative on Money Magazine #93 ranking on their Top 100 list of "America's Best Places to Live."

Location & Transportation

Owensboro lies on the southern banks of the Ohio River, one of the nation's major waterways, in the western Kentucky coal field region. It is situated 32 miles southeast of Evansville, IN; 123 miles north of Nashville, TN; and 109 miles southwest of Louisville, KY and has direct access via highway, rail, river and air. The William H. Natcher Bridge provides a route to Interstate 64 in Indiana. Construction has commenced on the I-69 spur and I-64 / I-65 corridor linking Owensboro to the region. The Owensboro–Davies County Regional Airport serves access to the national air transportation system and has recently positioned itself to receive \$1 million in Federal Aviation Administration funding.

Education

Quality education is a priority and education facilities in the area abound. The Owensboro Independent and Daviess County and parochial school systems provide elementary, middle and secondary school students with a quality education. The average student-teacher ratio for the public schools is 20-and 25-to-1.

Brescia University and Kentucky Wesleyan College are four-year education institutions offering Bachelor of Science and Arts degrees. The University of Louisville School of Nursing facilitates a BSN program locally in conjunction with Owensboro Health System. Owensboro Community and Technical College (“OCTC”) offers two-year Associate of Arts and Science degrees, and several doctoral degree programs via telecommunications. Daymar College is a private two-year accredited business school. Graduate programs are offered through Brescia, Western Kentucky University and Murray State University. These programs provide area residents with the opportunity to earn post-graduate degrees without leaving the city. Western Kentucky University offers Junior and Senior level college courses, as well as Graduate programs, at its Owensboro Extended Campus adjacent to the OCTC campus. Each year more than 1,500 students participate in graduate programs for credit hours. Another 500 students utilize short courses or adult education workshops each year.

Medical Facilities

Owensboro Health Regional Hospital is rated among the top five percent of hospitals in the nation. As well as a general medical and surgical hospital, it is also accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). The new \$385 million, 356-bed state-of-the-art hospital facility opened June 1, 2013. Survey data for the latest year available shows that 63,901 patients visited the hospital's emergency room. The hospital had a total of 18,055 admissions, primarily from eleven counties in Kentucky and southern Indiana. Its physicians performed 4,683 inpatient and 14,710 outpatient surgeries. Its OMHS also leads two key initiatives for cancer research in the Owensboro region, and is accredited by the Commission on Cancer of the American College of Surgeons as a Comprehensive Cancer Center.

Arts, Entertainment & Recreation

Owensboro offers a wide range of recreational and cultural activities. The City has everything from fishing on a nearby lake to live performances of the Owensboro Symphony Orchestra, one of the finest in the state. Municipal parks provide areas for picnicking, golf, tennis, softball, football and relaxing. Water sport activities may be enjoyed on the Ohio River.

Lazy Dayz Children’s Playground in Owensboro’s Smothers Park was named the *Number 1 playground in the world* by the Landscape Architects Network in 2013. The award cited the park’s size, accessibility, interactivity, safety and variety of activities.

The City recently opened the only municipal ice arena in Kentucky, Edge Ice Center. The year-round facility features a 42,600 square foot arena and is the home to the Owensboro Youth Hockey Association and the Owensboro Figure Skating Club. During the summer months, the City maintains two swimming pools and a Spraypark.

The Spraypark addition to Legion Park was an enhancement to a beautiful park located in the center of Owensboro that already features basketball courts, a walking trail, playground equipment, and covered shelters. Owensboro hosts many local, state, regional and national softball and baseball tournaments at our softball complex located at Jack C. Fisher Park.

Cultural activities play a major role in the everyday lives of Owensboro residents. Owensboro RiverPark Center, a performing arts and civic center, boasts a 1,500 seat multi-purpose auditorium, and experimental theatre, a riverfront plaza, an open-air courtyard, meeting/reception rooms, and the International Bluegrass Museum. Each year the RiverPark Center hosts over 150 performance events and 900 civic events. Many cultural agencies are funded in part by the City of Owensboro. The City is also home to the Owensboro Museum of Fine Arts and the Owensboro Museum of Science and History, as well as the Owensboro Symphony Orchestra.

APPENDIX E

***Form of Final Approving Legal Opinion of Bond Counsel for the
Bonds***

[Form Of Bond Counsel Opinion for Appendix E]

The form of the legal approving opinion of Dinsmore & Shohl LLP, bond counsel, is set forth below. The actual opinion will be delivered on the date of delivery of the bonds referred to therein and may vary from the form set forth to reflect circumstances both factual and legal at the time of such delivery. Recirculation of the Final Official Statement shall create no implication that Dinsmore & Shohl LLP has reviewed any of the matters set forth in such opinion subsequent to the date of such opinion.

Gentlemen:

We have examined the transcript submitted relating to the issue of \$_____ General Obligation Bonds, Series 2016D (the "Bonds") of the City of Owensboro, Kentucky (the "Issuer"), dated December____, 2016, numbered R-1 upwards, and of the denomination of \$5,000 and any integral multiple thereof. The Bonds mature, bear interest, and are subject to mandatory and optional redemption upon the terms set forth therein. We have also examined a specimen Bond.

Based on this examination, we are of the opinion, based upon laws, regulations, rulings and decisions in effect on the date hereof, that:

1. The Bonds constitute valid obligations of the Issuer in accordance with their terms, which unless paid from other sources, are payable from taxes to be levied by the Issuer without limitation as to rate.

2. Under the laws, regulations, rulings and judicial decisions in effect as of the date hereof, interest on the Bonds is excludible from gross income for Federal income tax purposes, pursuant to the Internal Revenue Code of 1986, as amended (the "Code"). Furthermore, interest on the Bonds will not be treated as a specific item of tax preference, under Section 57(a)(5) of the Code, in computing the alternative minimum tax for individuals and corporations. In rendering the opinions in this paragraph, we have assumed continuing compliance with certain covenants designed to meet the requirements of Section 103 of the Code. We express no other opinion as to the federal tax consequences of purchasing, holding or disposing of the Bonds.

3. The interest on the Bonds is not subject to taxation by the Commonwealth of Kentucky, and the Bonds are not subject to ad valorem taxation by the Commonwealth of Kentucky or by any political subdivision thereof. We express no other opinion as to the state tax consequences of purchasing, holding or disposing of the Bonds.

The Issuer has not designated the Bonds as "qualified tax-exempt obligations" with respect to investments by certain financial institutions under Section 265 of the Code.

In giving this opinion, we have relied upon covenants and certifications of facts, estimates and expectations made by officials of the Issuer and others contained in the transcript; which we have not independently verified. It is to be understood that the enforceability of the Bonds may be subject to bankruptcy, insolvency, reorganization, moratorium and other laws in effect from time to time affecting creditors' rights, and to the exercise of judicial discretion.

Very truly yours,

The Notes have been authorized and issued pursuant to the Constitution and laws of the Commonwealth of Kentucky (the "Commonwealth"), including particularly Chapter 66 of the Kentucky Revised Statutes (the "Act") and an Ordinance adopted by the Issuer on November 1, 2016 (the "Ordinance").

We have examined such portions of the Constitution, Statutes and laws of the United States, the Constitution, Statutes and laws of the Commonwealth, and such applicable court decisions, regulations, rulings and opinions as we have deemed necessary or relevant for the purposes of the opinions set forth below. We have also made such investigation as we have deemed necessary for the purposes of such opinion, and relied upon certificates of officials of the Issuer as to certain factual matters.

Based on the foregoing examination, we are of the opinion, based upon laws, regulations, rulings and decisions in effect on the date hereof, that:

1. The Notes constitute valid obligations of the Issuer in accordance with their terms, which unless paid from other sources, are payable from the proceeds of the Issuer's General Obligations, Series 2016D, or otherwise from taxes to be levied by the Issuer without limitation as to rate.
2. The Notes have been duly authorized, executed and delivered by the Issuer and are valid and binding obligations of the Issuer enforceable in accordance with their terms.
3. Under the laws, regulations, rulings and judicial decisions in effect as of the date hereof, interest on the Notes is excludible from gross income for Federal income tax purposes, pursuant to the Internal Revenue Code of 1986, as amended (the "Code"). Furthermore, interest on the Notes will not be treated as a specific item of tax preference, under Section 57(a)(5) of the Code, in computing the alternative minimum tax for individuals and corporations. In rendering the opinions in this paragraph, we have assumed continuing compliance with certain covenants designed to meet the requirements of Section 103 of the Code. We express no other opinion as to the federal tax consequences of purchasing, holding or disposing of the Notes.
4. The interest on the Notes is not subject to taxation by the Commonwealth, and the Notes are not subject to ad valorem taxation by the Commonwealth or by any political subdivision thereof. We express no other opinion as to the state tax consequences of purchasing, holding or disposing of the Bonds.

The Issuer has not designated the Notes as "qualified tax-exempt obligations" under Section 265 of the Code.

Our opinion set forth above is subject to the qualification that the enforceability of the Ordinance, the Notes and agreements relating thereto may be limited by bankruptcy, reorganization, moratorium, insolvency, or other similar laws relating to or affecting the enforcement of creditors' rights, and to the exercise of judicial discretion in accordance with general equitable principles.

Very truly yours,

STATUTORY AUTHORITY, PURPOSE OF ISSUE AND SECURITY

The Obligations are authorized pursuant to Sections 66.011 to 66.181, inclusive, of the Kentucky Revised Statutes and are being issued in accordance with an ordinance (the "Ordinance"), adopted by the City of Owensboro, Kentucky (the "City") on November 1, 2016. The Bonds and Notes are each general obligations of the City and both constitute a direct indebtedness of the City. The Obligations are secured by the City's ability to levy and its pledge to levy an ad valorem tax on all property within the City in a sufficient amount to pay the principal of and interest on the Obligations when due. The Notes are being issued for the purpose of (i) financing, on an interim basis, the acquisition of an approximately 340 space existing parking garage and related office space on the 400 block of W 2nd St. within the City, (ii) financing, on an interim basis, transportation related improvements to the Owensboro transit system and (iii) paying the costs of issuance of the Notes.

Pursuant to the Ordinance, the Notes are being issued in anticipation of the future issuance by the City of its general obligation bonds (the "Acquisition Project Bonds") for the purpose of permanently financing the Acquisition Project, and the proceeds of said Acquisition Project Bonds, if, as and when issued, in an amount necessary to pay the maturing principal of, and interest on, the Notes on December 1, 2020, are further security for the payment of the Notes. Said Acquisition Project Bonds shall be dated no later than the maturity or earlier redemption date of the Notes and shall mature over a period not exceeding twenty-five years. In the Ordinance, the City reserves the right to issue renewal notes when, prior to maturity or redemption of the Notes, the City shall make a determination that by reason of delays, changes in plans, high long-term interest rates or uncertainties in the municipal bond market, or other causes justifying delay in the final offering of the Acquisition Project Bonds, the Acquisition Project Bonds should not immediately be offered, and the proceeds of the sale of such renewal notes shall be applied to the payment of the principal of the Notes.

BIDDING CONDITIONS AND RESTRICTIONS

The terms and conditions of the sale of the Obligations are as follows:

- (A) Separate electronic bids for each of the Bonds and Notes must be submitted through the **BIDCOMP™/PARITY™** system and no other provider of electronic bidding services will be accepted. Subscription to the **BIDCOMP™/PARITY™** system is required in order to submit an electronic bid. The City will neither confirm any subscription nor be responsible for the failure of any prospective bidders to subscribe. For the purposes of the bidding process, the times as maintained by **BIDCOMP™/PARITY™** system shall constitute the official times with respect to all bids whether in electronic or written form. To the extent any instructions or directions set forth in **BIDCOMP™/PARITY™** system conflict with the terms of the Official Terms and Conditions of Bond and Note Sale, this Official Terms and Conditions of Bond and Note Sale shall prevail. Separate electronic bids made through the facilities of **BIDCOMP™/PARITY™** system shall be deemed an offer to purchase in response to the Notice of Bond Sale and Notice of Note Sale and shall be binding upon the bidders as if made by signed, sealed written bids delivered to the City. Neither the City nor the Financial Advisor shall be responsible for any malfunction or mistake made by or as a result of the use of the electronic bidding facilities provided and maintained by **BIDCOMP™/PARITY™** system. The use of **BIDCOMP™/PARITY™** system facilities are at the sole risk of the prospective bidders. Notwithstanding the foregoing, non-electronic bids may be submitted via facsimile or by hand delivery utilizing the Official Bid Form. Written sealed bids (in a sealed envelope marked "Official Bid for Bonds" or "Official Bid for Notes") or facsimile bids for the Obligations by the designated time will be received by the Finance and Support Services Director, 101 East Fourth Street, Owensboro, Kentucky 42302 (FAX: (270) 687-8526).
- (B) Bidders are required to bid for the entire issue of (i) the Bonds at a minimum price of not less than \$9,319,800 (98.00% of par) nor more than \$9,985,500 (105.00% of par), and (ii) the Notes at a minimum price of not less than \$6,532,175 (99.50% of par) nor more than \$6,571,565 (101.00% of par), PAYABLE IN IMMEDIATELY AVAILABLE FUNDS.
- (C) Interest rates for the Obligations must be in multiples of one-eighth of one percent (.125%) and/or one-hundredth of one percent (.01%), and all Obligations of the same maturity shall bear the same and a single interest rate from the date thereof to maturity.
- (D) The determination of the best bid for each of the Bonds and Notes will be made on the basis of the lowest true interest rate to be calculated as that rate (or yield) that, when used in computing the present worth of all payments of principal and interest on the Bonds or Notes (compounded semi-annually from the respective dates of the Bonds and Notes), produces an amount equal to (i) in the case of the Bonds, the purchase price of the Bonds, as set forth in the Official Bid Form, for exactly \$9,510,000 principal amount of the Bonds and (ii) in the case of the Notes, the purchase price of the Notes, as set forth in the Official Bid Form for exactly \$6,565,000 principal amount of the Notes offered for sale hereunder. Notwithstanding the foregoing, the City may adjust (i) the principal amount of Bonds which may be awarded to the best bidder upwards by up to \$675,000 or downwards by up to \$1,175,000 (the "Bond Permitted Adjustment") to a maximum of \$10,185,000 or a minimum of \$8,335,000 and (ii) the principal amount of the Notes which may be awarded to the best bidder upward or downward by up to \$655,000 (the "Note Permitted Adjustment") to a maximum of \$7,220,000 or a minimum of \$5,910,000. In the event of such Bond Permitted Adjustment or Note Permitted Adjustment, no rebidding or recalculation of a submitted bid will be required or permitted. The price of which such adjusted principal amount of the Obligations will be sold will be the same price per \$1,000 of the Obligations as the price per \$1,000 for the Obligations bid.

While it is the City's intention to sell and issue the approximate par amount of the Obligations as set forth herein, there is no guarantee that adjustments and/or revisions may not be necessary in order to properly size the Obligations. Among other factors the City may (but shall be under no obligation to) consider in sizing the par amounts and individual maturities of the Obligations, is the size of individual maturities or sinking fund installments, assuring level debt service, and/or other preferences of the City.

In the event that the principal amount of any maturity of either of the Obligations is revised after the award, the interest rate and reoffering price for each maturity and the Underwriter's Discount on the Obligations as submitted by the successful bidder shall be held constant. The Underwriter's Discount shall be defined as the difference between the purchase price of the Obligations submitted by the bidder and the price at which the Obligations will be issued to the public, calculated from information provided by the bidder, divided by the par amount of the Obligations bid.

The successful bidders for the Obligations will be notified by no later than 4:00 p.m. (Central Time), on the sale date of the exact revisions and/or adjustment required, if any.

- (E) Bonds maturing in any two or more consecutive years may, in lieu of maturing in each of such years, may be combined to comprise one or more maturities of Bonds scheduled to mature in the latest of such year and be subject to mandatory sinking fund redemption at par in each of the years and in the principal amounts of such term Bonds scheduled in the year of maturity of the term Bonds, which principal amount shall mature in that year.
- (F) CUSIP identification numbers will be printed on the Obligations. Improper imprintation or the failure to imprint CUSIP numbers shall not constitute cause for a failure or refusal by the purchaser to accept delivery of and pay for the Obligations in accordance with the terms of any accepted proposal for the purchase of the Obligations.
- (G) The City will provide to the successful purchasers a Final Official Statement in accordance with SEC Rule 15c2-12. A Final Official Statement will be provided in Electronic Form to the successful bidders, in sufficient time to meet the delivery requirements of the successful bidders under SEC and Municipal Securities Rulemaking Board Delivery Requirements.
- (H) Bids need not be accompanied by a certified or bank cashier's good faith check, but the successful bidders will be required to wire transfer to the order of the City an amount equal to 2% of the amount of the principal amount of the respective Obligations awarded by the close of business on the day following the award. Said good faith amount will be forfeited as liquidated damages in the event of a failure of the successful bidder to take delivery of such Obligations when ready. The good-faith amount will be applied (without interest) to the purchase price upon delivery of the Obligations. Each successful bidder shall not be required to take delivery and pay for the respective Obligations unless delivery is made within 45 days from the date the bid is accepted.
- (I) The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Obligations. They will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Bond certificate will be issued for each maturity of the Bonds and one fully registered Note certificate will be issued for each maturity of the Notes, each in the aggregate principal amount of such maturity, and will be deposited with DTC. Purchases of the Obligations under the DTC system must be made by or through securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations (the "Direct Participants"), which will receive a credit for the Obligations on DTC's records. The ownership interest of each actual purchaser of each Obligation (a "Beneficial Owner") is in turn to be recorded on the records of Direct Participants or securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant (the "Indirect Participants"). Beneficial Owners will not receive written confirmation from DTC of their

purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Obligations are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Obligations, except in the event that use of the book-entry system for the Obligations is discontinued.

- (J) The City reserves the right to reject any and all bids, to waive any informality in any bid or, upon 24 hours advance notice prior to the sale date given through the **BiDCOMP™/PARITY™** system, to postpone the sale date of the Obligations. The Obligations are offered for sale subject to the principal and interest of the Obligations not being subject to Federal income taxation and the Obligations not being subject to Kentucky income taxation or Kentucky ad valorem taxation on the date of their delivery to the successful bidders, in accordance with the final approving legal opinion of Dinsmore & Shohl LLP, Covington, Kentucky, which opinion will be qualified in accordance with the section hereof on TAX TREATMENT.
- (L) Bidders are advised that First Kentucky Securities Corporation has been employed as Financial Advisor in connection with the issuance of the Obligations. Their fee for services rendered with respect to the sale of the Obligations is contingent upon the issuance and delivery thereof.
- (M) The purchasers of the Obligations will be required to certify to the City as to certain of their activities regarding any reoffering to the public of the Obligations, including any reoffering prices and yields. This information from the purchasers of the Obligations shall also be made available to the Financial Advisor immediately after the sale of the Obligations.
- (N) For purposes of calculating the true interest cost, the principal amount of any term Obligations scheduled for mandatory sinking fund redemption shall be treated as a serial maturity in such year. In the event that two or more bidders offer to purchase the Obligations at the same lowest true interest rate, the Mayor, upon the advice of the Financial Advisor, shall determine (in his sole discretion) which of the bidders shall be awarded such Obligations.
- (O) At the election and cost of the purchaser of the Obligations, one or more maturities of such Obligations may be insured under a municipal bond or note insurance policy. In such event, the City agrees to cooperate with the purchasers to qualify the applicable Obligations for bond insurance; however the City will not assume any of the expenses incident to the issuance of such insurance policies, other than the costs for securing a rating of the Obligations from Moody's Investors Service, Inc.

CONTINUING DISCLOSURE

For purposes of this transaction with respect to events as set forth in the Rule:

- (a) there are no debt service reserve funds applicable to the Obligations;

The City has entered into previous disclosure undertakings regarding its General Obligation debt under the Rule. To the best of the City's knowledge, the City has been in compliance with its continuing disclosure undertakings for the past five years, with the following exceptions: Financial Information for Fiscal Year 2011 was timely published but did not timely appear on EMMA for all of the City's bond issues bearing the same base CUSIP number. The disclosure for Fiscal Year 2011 is now properly published for all bond issues bearing the same base CUSIP number. In addition, certain prior undertakings provided for continuing disclosure of debt service schedules for certain bonds. There has been no change in these schedules since the initial filing, so these disclosures have not been updated on EMMA. Certain demographic and economic and tax information related to Daviess County, Kentucky, contained in Official Statement Appendices which were the subject of prior continuing disclosure undertakings do not constitute operating data of the City and the City has not updated this data on EMMA. Other demographic and economic and tax information related to the City has been updated by inclusion in the annual audited financial report.

The City has also entered into previous disclosure undertakings regarding water and sewer revenue bonds and bond anticipation notes as well as electric revenue bonds and bond anticipation notes. These utilities are operated by Owensboro Municipal Utilities. In the past five years there have been numerous rating actions reported by Moody's Investors Service, Standard & Poor's Rating Corporation and Fitch Ratings affecting the municipal bond insurance companies, some of which had insured bonds previously issued by the City and its related utility revenue entities. Due to widespread knowledge of these rating actions, material event notices were not filed by the City in each instance.

TAX TREATMENT

In the opinion of Bond Counsel for the Obligations, based upon an analysis of existing laws, regulations, rulings and court decisions, interest on each of the Obligations will be excludible from gross income for Federal income tax purposes. Bond Counsel for the Obligations is also of the opinion that interest on the respective Obligations will not be a specific item of tax preference under Section 57 of the Internal Revenue Code of 1986 (the "Code") for purposes of the Federal individual or corporate alternative minimum taxes. Furthermore, Bond Counsel for the Obligations is of the opinion that interest on the Obligations is exempt from income taxation and the Obligations are exempt from ad valorem taxation by the Commonwealth of Kentucky and any of its political subdivisions.

The Code imposes various restrictions, conditions, and requirements relating to the exclusion from gross income for Federal income tax purposes of interest on obligations such as the Obligations. The City has covenanted to comply with certain restrictions designed to ensure that interest on the Obligations will not be includable in gross income for Federal income tax purposes. Failure to comply with these covenants could result in interest on the applicable Obligations being includable in income for Federal income tax purposes and such inclusion could be required retroactively to the dates of issuance of the applicable Obligations. The opinion of Bond Counsel assumes compliance with these covenants. However, Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken) or events

occurring (or not occurring) after the dates of issuance of the Obligations may adversely affect the tax status of the interest on the Obligations.

Certain requirements and procedures contained or referred to in the Obligations documents and other relevant documents may be changed and certain actions (including, without limitation, defeasance of the Obligations) may be taken or omitted under the circumstances and subject to the terms and conditions set forth in such documents. Bond Counsel expresses no opinion as to any Obligations or the interest thereon if any such change occurs or action is taken or omitted upon the advice or approval of bond counsel other than Dinsmore & Shohl LLP.

Although Bond Counsel for the Obligations is of the opinion that interest on the Obligations will be excludible from gross income for Federal income tax purposes and that interest on the Obligations is excludible from gross income for Kentucky income tax purposes, the ownership or disposition of, or the accrual or receipt of interest on, the Obligations may otherwise affect a holder's Federal, state or local tax liabilities. The nature and extent of these other tax consequences may depend upon the particular tax status of the holder or the holder's other items of income or deduction. Bond Counsel expresses no opinions regarding any tax consequences other than what is set forth in its opinion and each holder or potential holder is urged to consult with tax counsel with respect to the effects of purchasing, holding or disposing the Obligations on the tax liabilities of the individual or entity.

Receipt of tax-exempt interest, ownership or disposition of the Obligations may result in other collateral federal, state or local tax consequences for certain taxpayers. Such effects may include, without limitation, increasing the federal tax liability of certain foreign corporations subject to the branch profits tax imposed by Section 884 of the Code, increasing the federal tax liability of certain insurance companies under Section 832 of the Code, increasing the federal tax liability and affecting the status of certain S Corporations subject to Sections 1362 and 1375 of the Code, increasing the federal tax liability of certain individual recipients of Social Security or the Railroad Retirement benefits under Section 86 of the Code and limiting the amount of the Earned Income Credit under Section 32 of the Code that might otherwise be available. Ownership of any of the Obligations may also result in the limitation of interest and certain other deductions for financial institutions and certain other taxpayers, pursuant to Section 265 of the Code. Finally, residence of the holder of the Obligations in a state other than Kentucky or being subject to tax in a state other than Kentucky may result in income or other tax liabilities being imposed by such states or their political subdivisions based on the interest or other income from the Obligations.

The City has not designated either the Bonds or Notes as “qualified tax-exempt obligations” within the meaning of Section 265 of the Code.

/s/ Ronald Payne

Mayor, City of Owensboro, Kentucky
