

School Newsletter July 2013

NEWS: 100% BUS SAFETY AUDIT

School administrators are aware of the risks associated to chartering a bus for student transport. There have been recent discussions around adding seat belts to buses as a harm minimisation strategy; however this is not current policy and won't necessarily be introduced.

The safest approach to chartering a bus for students is to monitor audits from the Department of Roads and Maritime. Austrek Tours is proud to reflect a 100% score in its April 2013 safety audit. These results are available on request. Contact Austrek Tours to enquire or book a bus for your next school excursion.

SCHOOL SPORT: \$10PP GO KARTING

Go Karting is a brilliant introduction to motorsport and safe driving techniques. FastLane Karting is offering an affordable per person price for mid-week school sport bookings between 11am and 3pm. Minimum group size is 20 students. Maximum group size is 60 students. All participants receive a 12 month FastLane Karting membership. Contact FastLane Karting to book your group. Remember to ask about a discounted rate on bus transport.

EXCURSION: \$25PP SAFE DRIVING SKILLS FOR STUDENTS

Clintons Toyota, Barnes Driving School, NSW Emergency Services and FastLane Karting have combined to present a 'Safe Driving for Schools' excursion that incorporates theory, practice and entertainment. Depending on the number of students, the excursion takes between 2 and 4 hours to complete. There are two courses individually tailored to meet the developmental needs of junior drivers (aged 9-13) and senior drivers (aged 14-17). Activities on the day include a safety video, 'know your vehicle' demonstration, 'know the road rules' demonstration, 'driving your career' discussion, and a practical driving exercise.

This is a high involvement, engaging and memorable excursion that will provide valuable life skills and knowledge to all participants. Cost is \$25 per student, minimum of 50 students per booking. Pizza lunch is available for \$5 extra per student. Remember to ask us about a discounted rate on bus transport.
