

Hello families!

We are excited to start children's church back up Sunday, July 12th. The nursery, toddler room, preschool class, and elementary class will all be back up and running. In order to keep everyone safe and healthy, we have made a few changes to our procedures. Above all, we ask that you keep your kids at home if they are feeling sick, have a cough, or have a fever. Below we have outlined the procedures we will be following in the coming months. We will let you know as things change. Please let us know if you have any questions or concerns.

Thank you!

The Eastview Christian Youth Team

Check in and Out

- We will be using throw away sticker name tags for the time being.
- Please have only 1 parent take kids downstairs or into the toddler room to limit people in these spaces.
- We ask that the stairways be 1 way. Please go down by the office and come back up by the restrooms.
- Please show your name tag to pick up kids.

Nursery/Toddler room

- The amount of toys will be limited in the nursery and toddler rooms.
- There will be a limit of 6 kids in the toddler room. If that limit is reached, some kids will be moved to the nursery.
- Rooms will be cleaned with CDC approved cleaners each week.

Tree House (Preschool & Kindergarten) / Big House (Elementary)

- Teachers will be required to wear masks
- Kids masks are optional
- In order to keep social distance, kids in the preschool and elementary rooms will stay at tables or chairs placed about 6ft apart
- Snacks in the preschool room will be pre-packaged
- Each child will have their own supplies in order to limit items being passed between kids
- Someone will be stationed at the bathrooms to clean periodically throughout service
- Hand sanitizer will be placed in rooms to be used throughout class
- Rooms will be cleaned with CDC approved cleaners each week.
