PRAISES!!!

- **Kathy Wagner** was able to come home from the hospital on Sat. She said she's feeling ok. Please continue to pray for comfort and a full recovery!
- **Judy**, Wayne Young's wife, did not suffer a stroke, but had a seizure brought on by a change in medication. That is being corrected and she should be home in a few days
- **Praise!** Joe & Tammy Corbett's granddaughter, **Autumn**, is going home on Monday! Yay!! She has in home nursing care as she is still on ventilator through her tracheotomy, but she's doing great! Thanks for all the prayers!
- **Praise!** Kathy's second cousin, **Josh**, is off the ventilator and has been moved out of ICU.

Please pray for...

- Complete Healing and comfort for Steve and Debbie Adams who have covid. Also their Son Joey & Lindsey along with their 3 children will be tested for Covid.
- Complete healing and comfort for Angie Payne who has Covid.
- A good friend who has long cancer, it has metastasized to his brain. He is having CT scan next Wednesday the 27th. Would like prayers for good results, that it has gotten small. Thank you Donna Booth.
- effective treatment, comfort and healing for **Betty Casey**, Pam Kienitz's mom, who fell and broke her arm.
- peace and comfort for **Pat Winterrowd and family** in the loss of her step-son, Ken, who passed away shortly after his open heart surgery on Thursday.
- **Stanley McVay**, Sue Lester brother-in-law, who needs a lifesaving pacemaker surgery. Pray he is stable enough for the surgery. He's at St. Vincent hospital.
- for successful surgery, pain complete healing for Melody Pfeiffer who tripped and shattered her heel bone.
- Please pray for **Zoey Dean**, the younger sister of a friend of **Nathan Crowe's**. She is having surgery to have a tumor removed from her heart.
- a miracle, complete healing and comfort for **Donald Atkinson** who was diagnosed with adenocarcinoma and possible metastatic from pancreas.
- **"my friend's son, Ian**, who is still fighting cancer and Covid. He is in the PICU at Riley hospital because of high fevers, breathing issues, and high blood pressure. He had a seizure Tuesday so the decision was made to put him on a ventilator and sedate him. He is stable now and more tests are being run."- Angie Payne
