## MINISTRY IN MOTION

Reaching People FOR Christ and  
Building People UP IN Christ  
May 16, 2021

Rick's Reflections...

Today we will consider the vital importance of listening for and to God's voice in these very noisy and uncertain times. We are living in a time very much like that described in our text. We have a history of God's leading and blessings but have drifted away from that history. Partly out of spiritual laziness and neglect on our part, and partly as the direct result of the enemy's schemes to undermine faith in the living God. We find ourselves in a culture that either does not care about what God has to say or openly defies and mocks it. Either way it leads to a downward spiral both culturally and spiritually. The only sure remedy for this is a return to a hunger for and obedience to His word.

As Samuel would learn to listen and obey, may we be drawn into a deeper and more meaningful walk of faith and obedience. "Speak Lord, for your servant is listening" provides a fine model for our lives. Are you ready and willing to hear and obey God's word to us?

Praying for the revival and to avoid the famine described in Amos.

Blessings,

### OUR MISSION

To reach people for Christ, and help all believers become fully devoted followers of Christ, involved in His mission to impact our community and the world.
