HABITAT CORRIDOR PROJECT SEBASTOPOL

Welcome to our corridor of California habitat-supporting landscapes in Sebastopol. Currently, they are located at the Sebastopol West County Museum, the Sebastopol Chamber of Commerce and the Sebastopol Center for the Arts (Veteran's Hall). Our next landscape project, the Bears Meadow Complex on Bodega Avenue, will be planted in the fall of 2019.

Please see our website for more information.
