

Salem High School & 2020 Modified Class Schedule

SHS teachers will be providing meaningful learning experiences and opportunities to connect via online tools. If a teacher plans to hold a remote scheduled teaching session, it will take place according to the schedule below. This does not mean that classes will meet daily. Teachers will communicate expectations with students. This schedule will prevent students from having multiple classes having remote "face-to-face" meetings at the same time. Such teaching sessions will also be recorded and available online for students to access in an asynchronous manner.
