

# AMIC WELCOMES

Dr. Tucker grew up in Pennsylvania and received her bachelor's degree from Temple University in Philadelphia. After moving to Colorado in 2006, she attended Rocky Vista University to obtain her Osteopathic medical degree. Dr. Tucker completed her postgraduate training in the sweetest place on earth, at Penn State Medical Center, in Hershey, Pennsylvania. She concluded her training with a breast imaging fellowship at the University of New Mexico in Albuquerque.

Addicted to Colorado's weather and sunshine, Dr. Tucker enjoys hiking and exploring the mountains with her husband and border collie. She and her husband also enjoy snowboarding, whitewater rafting, international travel and scuba diving. Additionally, Dr. Tucker continues to enjoy a lifelong love for ballet, Pilates and playing the piano.

For more information about Advanced Medical Imaging Consultants' radiologists or services, please contact Andi Dresen, Client Services Manager, at 970-484-4757.
