

ROUNDUP APP

How it Works

The Round Up App allows you to automatically donate the change from your credit or debit card transactions.

Once you create an account, you do not need to use the app while making a purchase. Just swipe your card as usual.

Impact

- Provides a critical source of consistent support that allows us to do our work. This is true philanthropy.
- The average donor ends up contributing \$20-\$30/month
- You can set a cap for the maximum amount you will donate in a month
- Makes giving effortless
- Naturally fluctuates up and down with your spending

Security & Assurance

The Round Up App never has access to your credit card number. We use Stripe as our payment processor, the same company used by Facebook, Amazon, Lyft and 100,000 other companies.
