

## HUGS LETTER FROM PARENT(S)

Parent(s), please familiarize yourself with the HUGS Foundation and our Mission before you write this letter, which will be attached to the Clinician's Application. ([visit hugs4families.org](http://hugs4families.org))

HUGS is looking to support families who are totally committed to the addiction recovery experience AND need financial help to support their young person.

***Please answer the following questions:***

1. How have you already demonstrated support for your young person, for your family and for yourself?
2. What is your commitment to continuing recovery efforts in your home, in your personal life and with regard to your son/daughter?
3. What ideas do you have to PAY IT FORWARD?
4. Is there any other information you would like to share with the HUGS Advisory Board?
