**BYLAWS OF PROPERTY OWNERS COMMITTEE OF  
RANCHO RUIDOSO VALLEY ESTATES, INC.**

**ARTICLE I – NAME**

The name of the business organization shall be the Property Owners Committee of Rancho Ruidoso Valley Estates, Inc., hereinafter referred to as the “Association” in this document. The Association’s Board of Directors may be contacted at:

PROPERTY OWNERS COMMITTEE OF RRVE  
P.O. BOX 1231  
ALTO, NM 88312-1231

**ARTICLE II – OBJECT**

**Section 1. The Association.** The object of the Association shall be to maintain the interests of the residents and property owners in the Rancho Ruidoso Valley Estates Subdivision, Lincoln County, New Mexico. The purpose and object of the Association’s Board of Directors is to help new and existing property owners navigate the covenants, condition and restrictions (CCR’s), to stay in compliance with said covenants, conditions and restrictions (CCR’s) as recorded with Lincoln County, New Mexico and to supervise the maintenance of common areas and monies already held for such maintenance.

**Section 2.** The purpose and objective of these bylaws is to provide a framework for conducting the business of the association, the operation of the association’s Board of Directors and standing or ad hoc committees.

## ARTICLE III – PROPERTY OWNERS

**Section 1.** All persons who own real estate in Rancho Ruidoso Valley Estates subdivision are members in the association. A property owner may have more than one lot and more than one vote but will be counted as one property owner for the purpose of establishing a quorum. Voting is computed on a per lot basis and will consist of a single vote for each lot (one lot, one vote). Joint Ownership including fractional or undivided interest constitutes one owner per lot and holds only one vote. The Association reserves the right to disapprove any claim to a fractional undivided interest which divides the single vote.

**Section 2. Disqualification to Vote.** Any lot owner in arrears to the association or who has been served notice of violation of the covenants, conditions and restrictions of Rancho Ruidoso Valley Estates and has not abated the violation shall not be entitled to a vote for the lot in violation in any proceeding.

**Section 3. “Mail-In” Ballots.** Votes may be by “mail-in” ballot. Mail-in votes must be in writing, signed by the member, mailed to the address on the ballot and received by the deadline on the ballot. The property or lot being represented by the vote must be clear of violation at the time of the vote.

**Section 4. Proxy Ballots.** No “proxy” ballots of any form will be allowed in any association voting process.

## ARTICLE IV – MEETINGS OF THE ASSOCIATION

**Section 1.** Meetings of the association will be held at least annually and preside over by the association's Board of Directors.

**Section 2.** The annual meeting of the association shall be held during the last quarter of each calendar year at such time and public place as the directors shall determine. The annual meeting shall be for the purpose of declaring newly elected Board of Directors; reviewing the audit, reviewing the annual budget; receiving the reports of committees, any new business that may arise, brought to the board and association for consideration in the following year, and for any other business voted on in the mail-in ballots.

**Section 3.** The Board of Directors shall give notice of all association meetings, in writing, to all owners residing or owning property in Rancho Ruidoso Valley Estates at the last address on record with the association by way of newsletter, special mailing, mail-in ballots and/or public newspaper.

**Section 4.** Special meetings may be held at such time and place as the directors shall determine and shall be called upon the written request of ten members of the Association or three members of the board. The only business that can be conducted at the special meeting is business addressed in the mail-in ballots and/or notice of meeting. Notice, with ballots to vote on the issue, must be given at least forty-five (45) days in advance. If the special meeting is for information only (no vote needed), notice is still forty-five (45) days.

**Section 5.** In order to be duly constituted to conduct business at the annual meeting or special meeting, a minimum of twenty percent (20%) of the property owners must be in attendance or voting by mail.

**Section 6.** Approval of any business item on the agenda at the annual meeting shall be obtained upon an affirmative vote of a majority of the 20% of property owners voting in person or by mail. Approval of any business item on the agenda at a special meeting shall be obtained upon

an affirmative vote of two-thirds (2/3) of the 20% of property owners voting in person or by mail.

**Section 7.** Notice of the annual meeting or special meeting including a proposed agenda and budget (annual meeting only unless special meeting is specifically to address the budget) shall be included in the newsletter and any ballots mailed to the address on file with the association at least forty-five (45) days prior to the date set for the annual meeting or special meeting.

**Section 8.** Regular meetings of the Board of Directors will be held at least quarterly and may be held at such a time and place established by the Board of Directors. Notice of all board meetings will be in the newsletter. Changes in the date and time of the board meeting can happen no later than one week before the meeting and only if three or more members cannot attend. An agenda of any board meeting will be available no later than one (1) week prior to the meeting. Any property owner shall be able to attend any meeting and can request minutes of that meeting by email at no charge to the property owner. Should a property owner wish to address the board, eight (8) days' notice must be supplied in writing to the president and secretary of the board of the association by mail or by email. If notice is less than eight (8) days before the scheduled board meeting, the president will notify the property owner, in good standing, shall be excluded from attending any board meeting.

## ARTICLE V – ANNUAL BUDGET AND ASSESSMENTS

**Section 1.** The Board of directors shall present the annual budget for the following year and submit to the association for approval by “mail-in” ballot and at the annual meeting. The Board of Directors may propose an amended budget for approval during a special meeting provided forty-five (45) days’ notice by “mail-in” ballot has been given, in writing, to all property owners.

**Section 2.** Assessments are \$60.00 per year, per lot. This assessment may be changed by twenty percent (20%) of the membership voting by “mail-in” ballot and/or attending a special meeting called for that purpose. This special meeting shall only be called in order to meet the maintenance expenses allowed in the covenants, conditions, and restrictions. Notice of any new expense, such as a building, must be approved by the property owners of the Association by “mail-in” ballot and/or voting at a regularly scheduled annual meeting and the amount of the assessment shall be set by association members at the time of approval to raise assessments. Notice of intent to raise the assessment shall be given no less than forty-five (45) days before the approved raise in assessment is due to the property owners of record at the address on file with the association.

**Section 3.** Assessments shall be paid in January of each year. Billing will be mailed on January 5<sup>th</sup> for that year and will be considered delinquent if not paid to the association by the 31<sup>st</sup> of January at the address specified in Article I. The association shall bill the lot owner of record, but non-receipt of a bill shall not relieve the lot owner of the obligation to pay the amount due by the due date.

**Section 4.** All documents, correspondence, and notices relating to the charges shall be mailed to the address that appears on the books of the association, or as modified in writing by an association member. The association shall perform due diligence in ascertaining lot ownership with the obligation remaining with the lot owner to advise as to any changes in ownership or address to which notices are to be mailed. In addition, the association will notify all local title/escrow companies of the address to

which assessments should be paid and provide copies of the Bylaws, Covenants, Conditions and Restriction as recorded by Lincoln County, New Mexico, to the title companies for distribution to new owners. Association members must notify the association at the address given in Article I when they transfer ownership or have a change of address.

**Section 5.** A delinquent account shall be subject to a late charge of \$10.00 per month for each lot in arrears for each month in which the assessment remains delinquent. These charges are in addition to any charges resulting from acts taken pursuant to Section 6, below.

**Section 6.** The association shall take such legal action as deemed necessary by the Board of Directors to collect delinquent accounts. Authorized actions include, but are not limited to:

A notice is issued when the property owner is fifteen (15) days late with any assessment. When an account is sixty (60) days or more in arrears the owner will be sent a “Ten Day Notice of Intent to File Lien”. If the amount that is delinquent plus late charges is not received in the ten (10) day notice period, a lien in favor of the association will be filed against the delinquent owner. Such lien will accrue interest at 10% per annum, seventy-five dollars (\$75.00) administrative cost and reasonable attorney’s fees. A copy of the notice of lien will be sent to the lot owner of record.

- a) The duly elected Board of Directors shall strictly adhere to the following process for the collection of past due assessments.
  - a. Annual assessment invoices/bills will be mailed January 5<sup>th</sup> for the given year.
  - b. Member assessment will be considered delinquent if not received by February 15<sup>th</sup> of the given year.

  - d. At the board’s discretion, they may opt to utilize the Small Claims Court process at this state of the collection process.

- e. A “Ten Day Notice of Intent to File Lien” will be issued to the member when the account is sixty (60) days delinquent, or on April 15<sup>th</sup> of the given year.
- f. If no member response is received within the ten (10) day timeframe, a lien will be filed along with all interest, administrative fees and/or attorney fees.
- g. If no response is received from the member by sixty (60) days after filing of the lien, the member account will be turned over to the association attorney of record for legal action via the court system.

Failure of any duly elected Board of Directors, individually or collectively, to adhere to the process outlined above will be considered negligence and be cause for removal (See Article VI – Officers, Section 11 (a), (b), and (c)).

**Section 7.** Payments on assessments will apply to the current year’s assessment first and then to any past due assessments to avoid additional late charges to those in arrears.

**Section 8.** The Board of Directors may waive any late fees assessed if in their opinion such fees would cause undue hardship upon member. Waiver shall only be made on written request documenting the basis for the request. Waivers will be noted in writing in the records of the association.

**Section 9.** The Board of Directors shall publish and deliver quarterly income and cost statements to all members of the association. Each such re-subdivided or combined lot shall be governed by these same restrictive covenants. Thus, if two lots are combined to be the one, then such lot would be governed as one under these restrictive covenants and would entitle the owners to only one vote and would change the assessment from two lots to one.
  - c) No mobile home shall be placed upon any lot in this subdivision. A mobile home for the purposes of this restriction is defined as: *A home whose purpose and design is to be readily moved from place to place repeatedly.* These “mobile homes” are normally a single unit built upon a frame and have axles, wheels and a tongue and which mobile home is capable of being drawn down public highways on the single unit and are colloquially referred to as “single-wide trailers.” There shall not be erected on any one lot more than a single private dwelling house, together with the necessary and appurtenant buildings such as servant’s quarters, guesthouse, garage, storage building or carport. Use of antique or "used" materials for windows, doors and siding must be approved by the RRVE Architectural Review Committee (ARC) prior to their use but it is recognized that these materials are often used by homeowners to achieve a rustic or other architectural style. "Used" construction materials are defined by the POC of RRVE as previously having been used in the construction or erection of another structure, which has been since disassembled rendering the disassembled construction materials as having been "used" regardless whether there has been a change in ownership from the prior use.

Manufactured or modular homes to be placed upon or constructed upon lots within the "Residential Area" of said subdivision must be newly manufactured. "Newly Manufactured" requires that the home has not previously been "Titled", lived in or used for any purpose other than by a licensed dealer as a display model and the home may not exceed three (3) years in age from the date of manufacture. The term "used" includes those instances in which the current owner occupied or located the home at another site or location. Such modular or manufactured homes shall be placed upon permanent foundation and shall have masonry skirting, no wood, metal or other materials shall be allowed for skirting.

All structures referenced in this paragraph (Section 1; part d) must be approved by the RRVE ARC prior to delivery, placement or erection on a lot.

All toilets shall be connected to the subdivision sewage disposal system. No trash, brush or other material shall be burned except in compliance with the fire regulations of the Lincoln National Forest and/or County policies.
- i) Individual water wells may not be constructed in or upon any lot. Upon commencement of construction of any improvements upon a lot, it shall be incumbent upon the lot owner to make connection to the water line installed in the street or easement abutting the lot and to make use of the same to the exclusion of any other domestic water source save for roof water collection systems for the collection of rainwater for irrigation purposes. These collection systems may be constructed upon any lot providing that said water collection system shall be concealed in such a manner as to not detract from the appearance of the lot. Plans for such water collection systems shall be approved by the RRVE ARC prior to installation. Under no circumstances will installment of a rainwater collection system for supplemental irrigation relieve or forgo the obligation to connect to the community water system for household or other domestic use.

- j) No excavation of property shall be performed nor shall any live tree within said subdivision with a diameter of six (6) inches or more be removed without prior approval of the RRVE ARC.

Appliances or equipment of any kind or nature, new or used, shall not be stored in open or public view, but shall be stored in such manner as not to detract from the appearance of the lot.
- n) The keeping of any animal, other than domesticated dogs, cats, or other such pets regularly kept inside the owner's residence, upon any lot within the subdivision is prohibited and the keeping of allowed domesticated animals shall be subject to reasonable regulations to be made by the POC of RRVE.
