Installment Plan 2022

Dear Member,

August 28, 2021

Thank you for choosing the installment plan for the 2022 Bogota Swim Club season. In addition to breaking your dues into five payments, the installment plan locks in the 2021 rates for the 2022 season! Only payments that are received on time or ahead of time will be eligible to receive the 2021 rates. Late payments or complete payments made at the end of the payment plan cycle will be charged at the 2022 rate.

The first page of this document will act as your first coupon. Please send **this page** along with your first payment to **PO Box 66 Bogota, NJ 07603**. Please make checks payable to **The Bogota Swim Club** and remember to write your **membership number** on the memo line.

Page 2 of this document contains the remaining 4 payment coupons.
