WE ARE IN THE
BUSINESS OF
TAKING CARE OF
HOMEOWNERS!

March 31, 2020

To all our valued customers and partners,

As everyone around the world navigates the temporary uncertainty around COVID-19, I want to personally let you know that America's Preferred Home Warranty is committed to all of you, our customers and partners, and we are taking the necessary steps to ensure the highest level of business continuity during this time.

We are focused on protecting our employees, serving our customers and partner communities, and minimizing disruptions to our operations so that we keep your lives running smoothly. Our workforce is very well-equipped to work outside of the standard office environment for as long as needed. Because of the processes and procedures we put in place to ensure business continuity, you can feel confident there will be no impact on the level of support and service you expect to receive from your America's Preferred Home Warranty team.

We understand this is a trying time for everyone. We pledge to continue to monitor developments as well as implement any additional contingency plans as needed.

If you have any questions, don't hesitate to reach out to us at 800.648.5006.

Stay safe,

Rodney (CEO)
