

June at Pharr Chapel

And then June happened....

First - Louisiana Annual Conference! The Methodists gathered in Shreveport. Instead of using the Centenary College Campus, we gathered to work and worship in the Shreveport Convention Center. Burt Adams, the Pharr Chapel delegate, and I participated in moving worship, good work and the election of delegates to 2020 General Conference. The best thing about Annual Conference, Scott and I were reappointed to return here to Pharr Chapel for another year of service. We are delighted and blessed.

One significant highlight of conference was the worship service led by our Conference Youth Team. Two of our Pharr Chapel Youth, Maddie Voisin and Shilee Nipper, and Angie Champine, our youth director participated in this energetic service. So proud! Check out this link in FB.

Second - The old parsonage at 3013 Carroll has sold! It sold for our market price, except the A/c went out the night before closing. We are replacing that for the new owners. The funds from the sale of the house will be used to replace the funds used to remodel the new parsonage at 1622 Chatsworth Dr. The trustees will direct the use of the remaining funds. We are among those favored by God!

Third - We received a matching Local Facade Grant from the MC Main Street Program to replace the awning at the Everett Street entrance and to restore the sanctuary doors. The new awning is in place! It cleans up our appearance on Everette Street and creates a larger covered area to enter in bad weather. The work on the front doors is scheduled in the near future. We appreciate the investment of the city.

**VBS Fun is about to
BEGIN!**

**July 21 - 25
Sunday - Thursday
5:30 - 8:30**

You can help - VBS

We feed our VBS volunteers a light supper Sunday through Wednesday. We need teams to cook and serve meals. We'll have a sign up sheet Sunday morning.

This Sunday night it's time for a little PUTT PUTT golf in Bayou Vista! Bring your favorite putter! (A family member or a club) Families, kids of all ages. Rev. Ann will have a special treat for any hole in ones!!!
