By now you may know that the [Regional Advocates Committee](#), established at the North & Central American Ikebana International Conference (NCARC) last October in Dallas, is working to help chapters like yours grow and thrive.

For starters, we worked with Ikebana International headquarters and asked them to extend the dues payment deadline from June 30 to September 30. Our Regional Advocates are reaching out to your chapter via telephone/email and we hope you have had a conversation or two. To help us, we would appreciate some basic information on how your chapter operates. Would you

please fill out this short (only 13 question) survey? [Click here](#) to be directed to the survey. We would hope to have most chapters responding by April 21.

We thank you in advance for helping us to help you.
