Many chapters have conducted elections or will be doing so this summer. Your Regional Advocates have some helpful hints for you.

We have put the Elected Officers Form on the [Chapter Resources](#) page of the Ikebanancar.org website for your convenience. It is available in a [Word](#) or [PDF](#) format. Ikebana International headquarters asks that this form be submitted even if you have no changes on your board. The form contains two email addresses where it is to be submitted:

1. ikebana@ikebanahq.org
2. narikebana@gmail.com

If you have not held your elections and you have questions on how to do so when you can't meet in person, your Regional Advocates have outlined how to

conduct your elections via email and provided sample emails for your use. These emails can be adapted to your individual chapter needs. You can find this information on our website by [clicking here](#).

It is also suggested that after your elections are completed, the past and newly elected boards have a “takeover” meeting to exchange files and other information. Again, this can be done using your paid [Zoom](#) account provided by the Iwaya Fund for Ikebana chapters in the North & Central American Region (NCAR).

Of course, if you have any questions about the Elected Officers Form or how you can conduct your elections via email (or a virtual Zoom meeting), please contact your Regional Advocate.

If you are not the person to handle this task, we kindly ask that you forward this email to the person(s) responsible for submitting forms to Ikebana International headquarters or conducting your elections.

We are here to help you!
