

Diabetes Support Program

SAVE MORE LIVE BETTER

Cape Cod Municipal Health Group's health plan members who have diabetes or pre-diabetes can get covered diabetes medications and supplies plus an Accu-Chek® Guide meter and ongoing test strips with no copays.

If you have diabetes, register for the Good Health Gateway Program at GoodHealthGateway.com or call 800.643.8028.

You can also receive a free diabetes food booklet (while supplies last) when you register and call our HelpLine at 800.643.8028.
