Graph paper
College rule notebook paper
#2 Pencils
ruler
protractor
Calculator: TI-84 Plus CE -or- TI-Nspire CX
(The CX CAS will not be permitted on exams)

Calculators: I understand the cost associated with graphing calculators is difficult, but these are absolutely invaluable to your child's academic career. They will save a great deal of time and effort on class- and homework. These particular calculators are also permitted for use on the math portions of the SAT and ACT, where being properly trained with these calculators can save your child valuable time and mental energy on these timed exams.
