

WSA / FACTS Family Portal

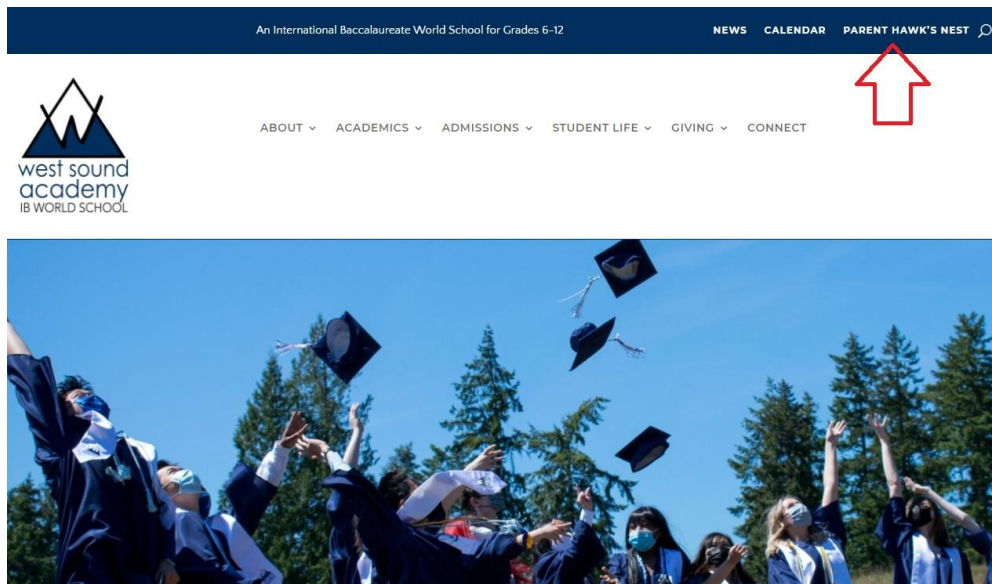

(Formerly ParentsWeb)

FACTS School Management Software gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

FACTS's Family Portal is a private and secure parents' portal that will allow parents to view academic information specific to their children, while protecting their children's information from others. You can see your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **FACTS Family Portal**:

- First, you need to make sure that the school has your email address in FACTS. Let us know if your email address has changed since you filled out the school enrollment forms before attempting to create an account.
- Next, go to **westsoundacademy.org**
- On the upper right side is a link to Hawk's Nest. Click that.

- In the Hawk's Nest click FACTS Family Portal Login
