Loose leaf notebook paper

Three ring binder (1-inch minimum)

Composition book for journal

Two-pocket folder for assignments

On occasion, we will play group games in the classroom. Students should have access to the Quizlet and Kahoot! apps (both free) on either a phone or tablet to participate in these games. Students without a phone or tablet will be partnered with someone else and will be able to participate. We also occasionally utilize the website NoRedInk.com. Students will need to have access to the web on a tablet or phone in order to use this resource.

Highly Recommended:

Colored pencils/markers/crayons/glue sticks for projects

1/2 sheet white poster boards for projects

Multi-colored highlighters
