

Supply list for the classes of Mr. Cumberledge

Chemistry/Physics/Physical Science/Biology

general supplies:

3 ring binder (for access to notebook paper as well as for organizing)

pens or pencils (pencils with erasers good for calculations and trial-and-error type of work)

scientific calculator

graph paper (for Physics only)

additional requirements for Physics/Chemistry

\$8.00 to purchase a subscription to **Chematters**, a scientific magazine for chemistry students

- payment can be made in cash or check made out to CLCS
- I'm going to ask that both Physics and Chemistry students get this subscription
- They will be required reading during the school year
