

# **MIDDLE SCHOOL SUPPLY LISTS**

## **6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup> Grades**

Dear CLCS Middle School families,

We are so excited to be a part of the new Middle School concept here at CLCS this fall. Two of our educational goals for our middle schoolers are to learn good organizational practices and personal responsibility. In order to encourage your student to get off to a great start, we have implemented a \$25 classroom fee that will cover the initial supplies your student will need this year for each class. This fee will cover the binder, pencil pouch, school planner, dividers, paper, pens, pencils, dry erase board, markers, eraser, colored pencils, index cards, and a ruler. You may find that as the year progresses your student may require additional consumable supplies to replenish their initial materials. Other specific classroom requirements your student will need now are a KJV Bible and a small plastic recipe box for note cards. Individual classroom projects may require other supplies as announced through the year. By getting an organized start to the year, we hope to train them in their responsibility to develop the skills they need for lifelong success.

Looking forward to beginning this historic first year of CLCS Middle School.

CLCS Middle School Faculty
