General Financial Information

- Tuition may be paid for the full year in advance or in 10 or 12 monthly payments starting in August.
- All monthly tuition payments must be paid using the automated tuition payment system. Other payment terms or special arrangements are available on request.
- **Limited tuition assistance may be requested by filling out an application available from school office.**
- The entire tuition may be paid prior to the beginning of classes in August, however, no discount is offered.
- Insufficient fund and/or late payments will incur a \$35 penalty fee.
- Students not attending the entire year will be invoiced for the number of days enrolled.
- Multiple student rates will be figured with the oldest student figured as the first student.
