

Greg Nordone
Founder & CEO
Greyson Technologies, Inc.

Greg Nordone is the Founder and Chief Executive Officer of Greyson Technologies, Inc., Florida's leading solutions provider. He founded Greyson with a vision to empower organizations to thrive by simplifying the adoption of world-class technology solutions.

With over 25 years of experience in the information technology industry, Mr. Nordone is responsible for the overall strategic direction of the company. Born and raised in South Florida, he is a fierce advocate for the local community, and is deeply committed to addressing local challenges.

Under Mr. Nordone's leadership, Greyson has been recognized among the nation's elite companies for growth, technology, and business, achieving multi-year selections to the Inc. 5000 Fastest Growing List, CRN Tech Elite 250 and Solution Provider Lists, South Florida Business Journal Fastest Growing, Top Tech and Top Private Companies Lists, among other industry and business publications.

Prior to founding Greyson, Mr. Nordone held leadership positions at ENS Corporation, Cisco Systems, Nortel Networks, and AT&T. He is a proud Florida Gator, holding a bachelor's degree in Business Marketing and Finance from the University of Florida.
