This walking route was created to encourage walking and exploring throughout the beautiful area of Elbow Lake, MN. The Park & Recreation Committee assembled it as part of SHIP, our statewide health improvement efforts, in creating communities that support healthy choices.
Athletic Park ROUTE 2 miles

Use sidewalks where available. If no sidewalks are present, use safety precautions.

1 Athletic Park – The park was originally built as a football practice field for the high school. Over the years it has seen lots of changes. It has areas where all can enjoy including: tennis courts, basketball courts, sand volleyball, baseball and softball fields, walking path, bathrooms and a picnic shelter. In the winter it has two ice skating rinks and a warming house.

2 Scenic Flekkefjord Lake View – Stop and look west over Flekkefjord Lake. Notice the beautiful hourglass formation of the lake. At the right time of night the sun will set right in the middle of the hourglass.

3 School Playground – The school playground is one of the most active in the summer months with lots of kids enjoying all the different playground equipment. The playground is built where the old Elbow Lake/Wendell High School building stood.

4 Veterans Park – Years ago this park was named Deer Park with a fence surrounding the park which held many tame white-tailed deer. Now named Veterans Park it is a hub for family get togethers and organizations to host picnics and other activities. During Flekkefest, Elbow Lake’s town celebration, and during the summer months, the park holds many events including live music on the band shell.
