2.4 miles

This walking route was created to encourage walking and exploring throughout the beautiful area of Elbow Lake, MN. The Park & Recreation Committee assembled it as part of SHIP, our statewide health improvement efforts, in creating communities that support healthy choices.
Lake Walk ROUTE 2.4 miles

Use sidewalks where available. If no sidewalks are present, use safety precautions.

1 Community Building – The Elbow Lake Community building was built in 1933 and was formerly known as the Scofield Building. Today it houses the Elbow Lake public library, the city offices, community nutrition center, the senior citizens center, C & C office, Tri-State Manufacturing offices, city council room and two additional rooms that can be used for public meetings.

2 Frisbee/Disc Golf Course – Located on the old Bartness Field, the Frisbee Golf Course opened in June of 2009. Bartness Field was constructed by the Bartness Family and was the home of thousands of baseball and softball games before being converted into the Disc Golf course.

3 Lions Park Trail – Enjoy the walking path through the trees next to Flekkefjord Lake. In the winter this path is used by snowmobilers and cross country skiers and is used as a pet path during the summer months.

4 Pride of the Prairie Airport – Elbow Lake is very proud of its airport, with its all-weather runway and spacious hangars along with a plane repair business. The airport is one of the best in the area. It is also one of the nation’s best places to obtain your pilot’s license.
