PRIVACY POLICY AND DISCLAIMER

Privacy Policy and Disclaimer

Horizon Public Health Minnesota is committed to protecting online users' privacy. We believe that protection of personal privacy on the Internet is our responsibility, to assure citizen confidence, increase participation in online activities and support effective delivery of services. At www.horizonpublichealth.org, we intend to give you as much control as possible over your personal information. The purpose of our policy is to inform you about the types of information we gather when you visit our website, how we may use that information, whether we disclose it to anyone, and the choices you have regarding our use of the information. The following is the privacy policy for the website (all pages starting with www.horizonpublichealth.org)

Terms of Use

By visiting the Horizon Public Health website, users agree that they will not use the website for any unlawful activity, or use it in a way that would violate the following terms and conditions. This website is governed and construed by the laws of the State of Minnesota. Any use of the website shall comply with Horizon Public Health, Minnesota and State of Minnesota laws and regulations as well as with all federal laws and regulations.

Collection of Information

No personally identifiable information is collected about visitors who simply browse this website or who download information from it. If you participate in a survey or send an e-mail your e-mail address and the contents of the e-mail and information volunteered in response to the survey will be collected. Visitors who request services available through this website may be required to furnish additional information which may be required by law or which is necessary to provide the service requested. The additional information collected will be no more specific than if the visitor were requesting the service by any other means, including by telephone or in-person visit to a Horizon Public Health office.

Google Analytics: When someone visits this site we use a third party service, Google Analytics, to collect standard internet log information and details of visitor behavior patterns. We do this to find out things such as the number of visitors to the various parts of the site. This information is only processed in a way which does not identify anyone. We do not make, and do not allow Google to make, any attempt to find out the identities of those visiting our website.

We do not sell any of the information we collect for any purpose. We use this information to help us make our website more useful to visitors; learning about the number of visitors to our website and the types of technology our visitors use helps us improve the website and the services we offer.
