

# PRAY FOR MYANMAR

On February 1, 2021, members of the Myanmar military seized control and declared a year-long state of emergency. The country's elected leader, Aung San Suu Kyi, and members of her party, are now under house arrest. As a result, all ethnic and religious minorities as well as actors of conscience and conviction are in grave danger. One Baptist leader writes:

*"We have been down on our knees praying for Myanmar continuously and appreciate the prayers of all our brothers and sisters around the world. Our people have lived under military dictatorship for more than 60 years and the thought of our children and grandchildren having to go through this life cycle again is a dreadful thought. **We have no guns but a God that protects us.** Even though we walk through the darkest valley, we will fear no evil."*
