

PRAY FOR HAITI

On Saturday, August 14, Haiti was hit with a 7.2-magnitude earthquake followed only days later by torrential rains from Tropical Storm Grace. While search efforts continue among the rubble, the death toll has already risen above 2,000. All of this is happening in a politically challenging context in which the nation's president was assassinated only a month ago.

Nevertheless, Haitian pastors and leaders are resilient, working tirelessly to search for those who are still missing, to assess damages, procure food and shelter items, and to provide pastoral care in their communities.

JOIN IN PRAYER FOR THE FOLLOWING:

- Pray for the power and presence of God to comfort those who are mourning.
- Pray for healing for those who are injured and endurance for the medical professionals providing care.
- Pray for the rescue workers who are working tirelessly in dangerous conditions.
- Pray for access to humanitarian assistance – particularly clean water, food, and shelter.
- Pray for pastors and church leaders as they minister in this challenging context.
- Pray for Baptist World Aid and the members of the Baptist World Alliance Forum for Aid and Development (BFAD) as they collaborate and coordinate response efforts in the short and long-term.
