**10:00 am**

**Deschutes County Fairgrounds—Sisters Conference Center**  
and also available online

## FIRST

Thank you for providing our youth an opportunity to sell their project in an otherwise challenging year. And thank you for hanging in here with us as we facilitate an auction and a quality and safe buyer experience that respects your needs, your dedication, and your health, all with new to us technology and processes. Sincerely, we so very much appreciate you.

## CHANGES

That you might notice given the current circumstances. Please don't hesitate to ask an auction committee member or 4-H or FFA professional if you have any questions or concerns. Here's a few things you might notice for 2020.

1. Face Coverings are required in our indoor spaces.
2. You can bid at our auction via our online link: <https://auction.showworks.cloud/fair/deschu>
3. You can watch the auctioneer live by downloading the ZOOM app (it's free) clicking on "join a meeting" then enter: 5414195820 as the meeting ID, you will then be asked for a password, the password will be emailed to all registered buyers on Friday—on the day of the auction, you will need to be "let in" to the ZOOM site, it should happen very soon, but could be a couple minutes. Problems on the day of the event: 541-419-6350
4. If you just want to view the auctioneer, you can see it at our Facebook site with Facebook Live: Deschutes County 4-H & FFA Youth Livestock Auction.
5. Bidding is by the head or in the case of rabbits and chickens, by the pen (3 animals per pen); NOT by the pound. *Resale prices are by the head/pen too.*
6. Local custom processors are VERY busy and opening up space for our auction animals was difficult for them, so we've secured a couple other Oregon businesses to help.
7. We have space for 300 in person bidders at the three conference buildings (100 in each) - pre-registration is required, whether bidding in person or online.
8. Animals and youth will not be present or in-person. Instead you will see a photo and a small amount of information on a screen, the auctioneer will be live in one building and on screen in the other two.
9. Parking, entry access, picking up bidder numbers, etc. is all divided, when you arrive you will receive a colored wrist band designating the building and space you must remain in during your auction experience. Unfortunately, we can't allow you to move from building to building.
10. Please feel free to direct any pre-auction questions to: [deschutesco4hffauctioncomm@gmail.com](mailto:deschutesco4hffauctioncomm@gmail.com)
