

With fast service and unlimited product, we provide Assistive Technology to help you live *UNLIMITED!*

APRIL NEWSLETTER

Ability Unlimited is proud to serve individuals enrolled in the CCC Plus Program through Virginia Medicaid and Medicaid waivers!

That means, the potential to facilitate getting you or your loved one the Assistive Technology you need!

As of August 1, 2017, we have assisted individuals who are enrolled in:

- the CCC Plus waiver (formerly the EDCD/Tech waivers),
- those under the age of 21 on the BI/CL/FIS waivers
- and individuals under 21 who have Medicaid and no waiver!

For those individuals enrolled in an MCO; Ability Unlimited is a participating provider with all 6 of the CCC Plus plans:

- ***Aetna Better Health of Virginia***
- ***Anthem Healthkeepers Plus***
- ***Magellan Complete Care***
- ***Optima Health Community Plan***
- ***UnitedHealthcare Community Plan***
- ***Virginia Premier Elite Plus***

For those individuals on one of the DD Comprehensive waivers:
Ability Unlimited will work with your case manager to process your requests.

[Check out our website](#) and for more information on VA Medicaid eligibility criteria, as well as what is needed to submit to DMAS/DBHDS/MCO's for authorization.

If you don't know if you qualify, give us a call: **1-800-511-9471**

What can Ability Unlimited do for you?

- We can assist you with requesting assistive technology. **(AT)**
- We can assist you with requesting environmental modifications. **(EM)**
- We can assist you with your durable medical equipment needs. **(DME)**
- We verify your eligibility for AT & EM and enrollment status.
- We assist you in getting a letter of medical necessity from your therapist and doctor and ensure it aligns with the criteria.
- We assist you with the proper form completion based on your individual requested need.
- We submit all the paperwork to the proper agency for review and handle the approval or denial of the request.
- Upon approval, we order, shipment/delivery of the assistive technology or DME directly to you and provide support information.
- We work with a variety of vendors and contractors to get the most cost-effective environmental modification estimates for your individual request.

Don't be afraid to ask us for help.

You can call us at: **800-511-9471**

You can also send us a message online at:

Or you can send us an email at: info@abilityunlimited.net

Ability Unlimited cannot recommend devices, equipment or modifications needed for any individual's medical purposes - this is recommended by your

This is not a grant - there are no applications for approval.

If the individual is enrolled in the CCC Plus Waiver, one of the DD Comprehensive waivers or if their CCC Plus Plan covers assistive technology or environmental modifications; they are eligible to request approval for services to be paid through Medicaid; ***provided medical necessity is determined by service authorization.***

The best way to determine eligibility and determine how to direct your request for services is to complete our intake demographic form and return it to Ability Unlimited and we will contact you!

7 Tips for Getting in Shape if You're Visually Impaired.

The U.S. Association of Blind Athletes estimates that it has helped more than 100,000 men and women with vision loss become top athletes in the last 30 years. This figure is just for elite

athletes. Millions more individuals with vision loss lead health-conscious, active lives, and they are participating in exercise programs, fitness groups, and activity clubs on a regular basis."

With the right tools, and techniques, plus a healthy dose of motivation, the benefits of exercise are well within reach for most people with visual impairment and blindness. Here are some tips to help yourself or your loved one get into shape:

Device Spotlight On....

You can view a longer list of examples [here](#).

Access Devices

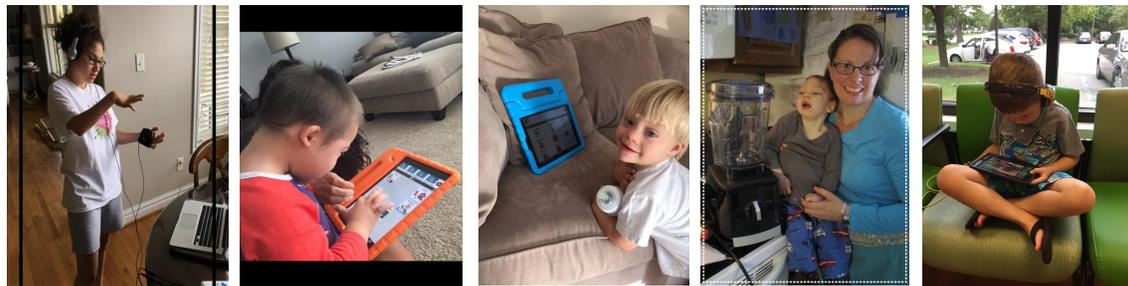

Open Sesame Door Opener

At the touch of a button, the Open Sesame automatic door

opener gives complete independence to enter and exit a residential or public / light commercial door (which can be for an elevator or lift or a gate). This professional grade disabled access system unlatches a locked door, then opens, pauses and closes it - all automatically. This remote controlled door opener can be operated with a variety of wheelchair mounted remote controls, wall push pads and other specialty controls customized to accommodate almost any physical disability.

Cost if you had to pay for this device it can be, \$3000.00 (depending on combination of accessories). Ability Unlimited may be able to get you this device through Medicaid.
