NOTICE OF INFORMATION POLICIES AND PRIVACY PRACTICES/HIPAA ACKNOWLEDGEMENT

How We Collect Information About You: Florida East Coast Medical Group (FECMG) and its employees collect data through a variety of means including but not necessarily limited to letters, phone calls, emails, voicemails, and from the submission of documents that are either required by law or necessary to process requests for assistance through our practice.

What We Do Not Do With Your Information: Information about your financial situation and medical conditions and care that you provide to us in writing, via email, on the phone (including information left on voicemails), contained in or attached to documents, or directly or indirectly given to us, is held in strictest confidence. We do not give out, exchange, barter, rent, sell, lend, or disseminate any information about patients or clients who apply for or actually receive our services that are considered patient confidential, is restricted by law, or has been specifically restricted by a patient/client in a signed HIPAA consent form.

How We Do Use Your Information: Information is only used as is reasonably necessary to provide you with health services which may require communication between FECMG and health care providers, medical product or service providers, pharmacies, insurance companies, and other providers necessary to: verify your medical information is accurate; determine the type of medical supplies or any health care services you need; or to obtain or purchase any type of medical supplies, devices, or medications you may need. If you provide information to us with the intent or purpose of fraud or that results in either an actual crime of fraud for any reason including willful or un-willful acts of negligence whether intended or not, or in any way demonstrates or indicates attempted fraud, your non-medical information can be given to legal authorities including police, investigators, courts, and/or attorneys or other legal professionals, as well as any other information as permitted by law.

Information We Do Not Collect: We do not use cookies on our website to collect personally identifying information from our site visitors. In the event we collect information, it is aggregated and simply records the number of visitors and data pertaining to patient usage of the site.
