REAL TREAT™

TOP SHELF

Real Treat's™ Top Shelf line got its name from their natural habitat.. the top shelf. These are not the biscuits of after school snacks. These are premium cookies for grown-ups.

The flavors are unique, and the ingredients we include in them are exceptional.

Each of the Top Shelf flavors will surprise your palate and inspire you to pause and savour it, for these are not to be rushed.

These are cookies to entertain with, or indulge in with a glass of wine after the kids have gone to bed.

Certified organic and unapologetically delicious™, these cookies are a conversation starter that make a memorable gift.

Real Treat's™ new Pantry line exists to satisfy the craving we all have for those cookies we enjoyed in our kitchens at home when we were growing up.

These are those staples of lunch boxes, afternoon snacks, and tea parties. The cookies our mums served up with a mug of hot chocolate on a brisk Canadian winter day.

We yearn for those cookies not just for the nostalgic flavors, but because of the ingredients with which these homemade cookies were made that made them the cookies you crave™: real food & love.
