

STUDENT TESTIMONIALS

"I started my journey at Roanoke-Chowan Community College through the Career and College Promise's Cooperative Innovative High School program. I graduated from East Carolina University in 2017 with a BS in Public Health Science and a minor in Psychology. I now teach 7th grade Science at Hertford County Middle School."

"R-CCC's CCPP program has been a blessing in my life and I'm so thankful for the opportunities that I've been given through this program."

Mecca Myers

"I graduated in 2019 from Hertford County High School with a 4.1 gpa. I also completed college courses through the Career and College Promise program offered at Roanoke-Chowan Community College, including Nurse Aid. I now have my C.N.A. license and am currently employed at Vidant Halifax Regional Hospital."

Without the CCP program I would not have had this opportunity to work in the field of my choice.
