IT News and Notifications

Exciting News!

Dear Faculty, Staff and Students,

The R-CCC IT department would like to inform you the R-CCC "myWaves" mobile apps are now available for your download. It is available free in the Android Play Store and iOS Apple Store. Additionally, the RCCC Bluelight emergency app is also available for download in the Android Play Store, and the iOS Apple Store.

The R-CCC Apps, has been developed in consultation with representatives from Quick Launch. It will enable you to connect with the R-CCC community: Stay on top of your events, classes, and assignments with the built-in calendar function, and get notified of important dates, Information on Classes: Manage classes, through WebAdvisor, Moodle, your online classes, Social Media. News & Events: Discover campus events, Library: library resources, Campus Services: Learn about services offered, such as Academic Advising, Financial Aid & Counseling, and access campus resources at any time!

Keeping up with College emails, finding out about clubs and organizations and knowing what's happening and where on campus is not easy. To improve the College's experience for students, faculty, staff and alumni, IT Department has launched the institution's first app simply called, "myWaves."

 The R-CCC App, which has been developed in consultation with representatives from Quick Launch brings the campus to your fingertips and enables you to connect with the R-CCC community: Stay on top of your events, classes, and assignments with the built-in calendar function, and get notified of important dates, deadlines & security announcements, and access campus resources at any time!

The initial release of the app includes:
* Information on Classes: Manage classes, through WebAdvisor
*Moodle, your online classes
*Social Media
* News & Events: Discover campus events,
* Library: library resources
* Campus Services: Learn about services offered, such as Academic Advising,
Financial Aid & Counseling.
* Push Notifications: Receive important campus notifications and emergency
alerts.

You'll be able to customize the kind of information and notifications you see to
suit your day to day student experience.

Students, faculty, and staff should be sure to register using their official R-CCC email to take advantage of all the features of the app!
