

## *"A Lighthouse Guiding People to Christ"*

Communion has many names, the Lord's Supper, Eucharist, Holy Communion and they all call for us to focus on why we are partaking in communion. This is a gift from God, to thank Him for all that He has done for us. John Wesley, the founder of our denomination, held the Lord's Supper in high standing. He would commune four or five times a week. He and his brother, Charles, wrote over 166 hymns on the Lord's Supper. For them, Communion is a "powerful means through which divine grace is given to God's people." On this Communion Sunday, I would like for us to take time to reflect on what communion means to you, to think back on the first time you really understood what Communion was all about. Share it with someone in the coming week. I'd love to hear from you!

*Blessings,  
Pastor Mollie*
