

Society Directors for advancing the building of a new performing arts center.

This letter is to inform you of my support for creating awareness and advancing the cause of building a new performing arts centre in Kelowna.

While the current community Theatre has served the needs of Kelowna for many years, I believe this city has long out grown that facility. A city the size of Kelowna needs a quality performing arts centre to accommodate a very active local arts community as well as attracting world caliber visiting artists and groups.

Sincerely,
