

LEAVE A LEGACY OF LOVE

The Unity Center of New York City has been transforming lives since 1928. The loving generosity of many people over the years has ensured our spiritual home has always had the means to keep our love flowing. You can continue your generous support of our mission even after you make your transition.

You can give in many ways and, in all instances, your gift will help lay a foundation of financial stability that will serve people who live after your lifetime – a legacy of love. Thank you, with deep appreciation, for your support and for helping realize our vision of global spiritual enlightenment.
